ARROWBEAR MUSIC CAMP

28th YEAR

June 30 to July 13, 1969

== == == == == == == == == == == == == == == == == == ==

All members of the staff agree that you have been a most remarkable camp. Your interest in music, your friendliness, your co-operation and your enthusiasm have been so outstanding that other sessions will really be challenged. We will always remember you for a most glorious two weeks together.

May your memories of the past two weeks be rich ones. May you go home greatly inspired to continue in your efforts of our great art - music. We hope you will come again next year.

Regardless of where life may take you, we want you to know that our interest in you is a lasting one. You gave us a great session and we are deeply grateful.

Our very best wishes always,

*Fred Ohlendorf*

What makes a clock tick? Perhaps it's the same thing that makes Arrowbear run - a great directing staff. And here they are:

MR. FRED OHLENDORF: The man to whom all owe the opportunity to come to Arrowbear is none other than our captivating camp director, Mr. Fred Ohlendorf. Mr. O, as he is affectionately called by all campers, is responsible for fostering in millions of young people the desire to excel in the field of music. He was educated at Northwestern University and USC, and is currently holding the position of Consultant of Fine Arts for the Long Beach Unified School District. Mr. O is responsible for organizing and directing the All-District Junior and Senior High School Orchestras in Long Beach each year, a job which he always assumes with dedication and love. Mr. O's humanitarian efforts and his musical efforts have been recognized nation-wide, as he is listed in Who's Who in the West. Along musical lines (of the staff, of course) he has served as President of CMEA and on the Board of Directors of MENC. Mr. O is one person whom everyone always remembers as being dedicated and truly interested in young people. His spirit and humor on the podium have convinced countless campers what Mr. O and Arrowbear have always stood for - Love of Music can add so much to life.

MRS. EDNA OHLENDORF: Standing beside Mr. O through thick and thin, major and minor, flat and sharp, and all the rest of the time, too, is his devoted wife, Mrs. Edna Ohlendorf. Besides assuming all of the book-keeping and clerical duties that keep Arrowbear running smoothly, Mrs. O is also the responsible mother of the 130 odd campers that invade Arrowbear each session. During the winter months she gives piano lessons, takes care of the secretarial work for the coming summer, and keeps her family in line. Mr. and Mrs. O met at USC, where both majored in music. Mrs. O holds membership in Mu Phi Epsilon, Professional Music Sorority, the Music Teachers' Association of California, and is listed in Who's Who of American Women. The charm and cheerfulness of Mrs. O is always amazing to those of us who know how much she has to do, but it is so nice to have someone like Mrs. O around who epitomizes the qualities of unselfishness and devotion.

Mr. Joe Burger: Keeping campers and counselors in line is one of the many jobs of experienced Assistant Camp Director, Mr. Joe Burger. He has spent many summers at Arrowbear, and seems to add spark and zip to the most menial tasks, such as inspecting the boys dorm and supervising K P activities. During the winter months Mr. Burger teaches music in the elementary schools of the Long Beach Unified School District and keeps his fingers nimble by playing violin in the Long Beach Symphony. He is a graduate of Southwest Missouri State College. Campers and young people everywhere are grateful to Mr. Burger for all that he has done to keep interest in music running at least even with talking on the telephone and playing the radio. During recreation periods, Mr. Burger can usually be seen ambling across the mountain roads with a carful of happy campers who enjoy the flashy red convertible, or perched on the sun deck at the pool casting the famous eagle-eye at the frolicking swimmers.

Mrs. Frances Harding: Returning to Arrowbear once again, to the delight of many, is Mrs. Frances Harding, also an Assistant Camp Director, affectionately known as "Sarge". Any amount of research into the reason for this title would undoubtedly lead to the discovery that she is responsible for inspecting the Girls' Dorm and distributing K P duty to those fortunate enough to earn the honor. During the school year, Mrs. Harding teaches at Stephens Junior High School, 60 percent counselor and 40 per cent teacher. Her talents range from playing bassoon and Music Appreciation Records to Grunion Hunting. Sarge's pleasant smile and charming manner have made her as much a part of Arrowbear as the music. During the brief time periods when she has to be gone, Sarge is sorely missed. The famous tube of Vibra Clean is often seen cleaning rawhide off counselors and staff.

MRS. MARTHA BLAND: Helping out this session ~~during Sarge's absence~~ has been the very charming Mrs. Martha Bland. A former camper, she teaches instrumental music in the elementary schools of the Long Beach Unified School District during the year and also plays violin in the Long Beach Symphony. Her husband is a member of the Ski Patrol on Mount Baldy, which explains why she readily admits that her favorite pastime is skiing. ~~(It was certainly nice to have Mrs. Bland helping us all during our insecure moments without Sarge.)~~ *She enjoys gardening and has collections of both Bonsai and cacti. "Life is not dull, I guaranteed you of that."*

MR. DENNIS DOCKSTADER: Teaching theory classes, fixing everything there is to fix, building a room, with Rick, onto the Boys' Dorm and playing the harpsichord are but a few of the accomplishments of one of Arrowbear's Hardest workers, Mr. Dennis Dockstader. Having been married to a former Ohlendorf for three and one half years, Dennis has become a permanent part of camp. He and Carole spent the winter (one of the most severe ever) at Arrowbear, living in the O house. He is a music major at California State College at San Bernardino and plays percussion, piano, and harpsichord. He played in the University of Redlands Orchestra and the San Bernardino Symphony along with his charming wife. Dennis says he enjoys working with his hands, and we are all so grateful. Dennis adds the quiet warmth and dignity of love for music to all he does.

MRS. JANE LOSCHEN: Spending her second summer on the staff as ensemble coach, inspectress, lifeguard and all around helper is our much beloved Jane Loschen. Mrs. Loschen earned her BA degree from the University of Illinois and her Masters from USC. She is happily married to Dr. Lester Loschen, a professor of accounting at USC. They live on Palos Verdes Peninsula where they keep two dogs, Doodle and Mac. Mrs. Loschen spends her leisure hours playing flute in the Peninsula Symphony and cultivating tomatoes with her green thumb. Another of her great accomplishments was spending three years on the staff of the National Music Camp at Interlochen, Michigan. But we love her at Arrowbear anyway. Mrs. Loschen is quite handy with camp equipment. Few who were there could ever forget the enthusiastic way she throws herself into ringing the dinner bell. Let's hear the real bell for Mrs. Loschen!

*and was recently chosen to be included in Who's Who of American Women.*  
MRS. ELEANOR NEWBY: Combating germs and unknown plagues is our wonderful nurse, Mrs. Eleanor Newby. "Newby", as everyone calls her, received her nursological training at Memorial Hospital in Pawtucket, R. I., UCLA, and UC Berkeley. She has sung in various choral groups while attending these schools, including the Chorus at UCLA directed by Roger Wagner. During the school year, Newby is a school nurse in the Long Beach Unified School District. This past year she was chosen "School Nurse of the Year" by the Long Beach Elementary Administrators Association. She is also the National President of Alpha Tau Delta, National Nurses Fraternity. While at home in Long Beach, Newby takes care of her husband and five children and enjoys gardening and sewing. In the morning hours at Arrowbear, Newby can often be seen watering the lovely flowers that she has helped plant. Our Mrs. Newby seems to have a way with everything from chlorophyll to chloroform, <sup>(musical)</sup> notes to nursing.

*and from*  
MR. GLEN HOOVER: Directing the camp band ~~the second week~~, and commanding the eager members of the Stage Band is the versatile and talented Mr. Glen Hoover. During the school year he teaches instrumental music at Rogers Junior High School in Long Beach, and travels to various elementary schools of the District. He lives in Westminster with his family which includes his wife and daughter, Kerry, and son, Mike, who have both been campers. He enjoys working with his hands, and gardening. This is his ~~fourth~~ <sup>first</sup> year on the staff. Whenever, he gets the chance, he likes to play his sexy jazz sax. We have all enjoyed getting to know Mr. Hoover.

MR. ROBERT SIMMERGREN: During the first week of this session, we were so fortunate to have Mr. Robert Simmergren with us as band director. During the school year, Mr. Simmergren teaches instrumental music in the elementary schools of the Long Beach Unified School District. In his spare time he plays trombone in the Long Beach Symphony. It is interesting to note that Mr. Simmergren, a graduate of Northwestern University, has three private trombone students who have been accepted at the Julliard School of Music. We were very sorry to lose Mr. Simmergren the second week of camp.

Outing

October 18 & 19

Now presenting the gorgeous group of Gourmet Cooks, the Kitchen Staff:

RICK OHLENDORF: Arrowbear's Chief Cook and Gourmet specialist is another in the clan that has become known to millions as the First Family of Music, The Ohlendorfs. It's Rick whom we all have to thank for the fabulous fare we devour each meal. Rick attends California State College at Long Beach, where he is a music major. Last spring Rick gave his Senior Recital proving beyond a shadow of a doubt his fantastic and amazing ability on oboe. Rick has spent the majority of his life during the summer at Arrowbear. He is an absolute whiz with mechanical things, and has had much to do with the way Arrowbear keeps running so smoothly. We all realize how lucky we are to be cooked for by Rick and company.

CAROLE (OHLENDORF) DOCKSTADER: The Mona Lisa of the kitchen is Mrs. Carole Dockstader. A former Ohlendorf, Carole has spent 22 summers at Arrowbear; first as an infant, then a child, then a camper, then a counselor, and now as a cook. Carole is multi-talented as anyone can tell at a glance. She is a graduate of Lakewood High School and attended Long Beach City College before earning her MRS degree. She plays flute with delicacy and sweetness, which describes her personality perfectly. She has tooted said flute in the University of Redlands Orchestra and the San Bernardino Symphony. Carole seems to add a ray of sunshine to the Arrowbear kitchen in the early mornings.

MIKE MECKNA: To look at Mike Meckna in the kitchen, you'd think it was the happiest place on earth; and you just might be right! Mike has the distinct quality found so rarely, but so greatly needed in the world--love of life and people. His culinary skills are above great--they're groovy! He hasn't always been a cook, however. He spent four years as a camper and four as a counselor. His virtuoso trumpet playing has graced many lucky orchestras and various other groups. He received his early education at Millikan High School and Cal State at Long Beach. He has continued study with stints at La Universidad Ibero Americano in Mexico City, and more recently at Boston University on a fellowship. Happiness is a guy named Mike Meckna!

A new invention this year--presenting the Prune-Handed Jr. Kitchen Staff:

JOHN RABOLD: Spending one week with us as dishwasher and pot scrubber extraordinaire is the ever-smiling and perpetually good-humored John Rabold. John will be a junior at Millikan High School next year where he plays terrific tuba in Marching Band, Symphonic Band, Straw Hat Band, and Orchestra. Astronomy is John's first love, and he brought along his telescope to get the most out of the famous skies of Arrowbear. The reason John is leaving us mid-session is that he is president of Quasars, an astronomy club for teen-agers. A meeting and star-gazing outing are calling him home to Long Beach.

WAYNE SELOVER: Assisting with the dish washing and glasses-stacking this session is Wayne Selover. Wayne will also be a junior at Millikan High School this fall. He played trombone in All-City Orchestra and All-Southern California Honor Band last year. At Millikan he also participated in Marching Band, Symphonic Band, Straw Hat Band, and Orchestra. He is vice-president of Quasars and also enjoys star-gazing with John.

DAVE FRUECHTING: Helping with the kitchen duties this session as well as being a camper is Dave Fruechting. Dave will be in the 9th grade at Hoover Junior High School in the fall. He is a good bassoon player and an interesting person. His help in the Snack Bar and with the Coke machine is really appreciated.

And now presenting that well-known group of helpful, happy counselors:

ANN TYNDALL: Spending her first summer as a counselor after several as a camper is the effervescent Miss Ann Tyndall. Daughter of one of Arrowbear's finest nurses, Ann always adds that important ingredient known as T.L.C. (tender loving care) to her job as counselor. Ann graduated from Millikan High School in Long Beach, where she played 'cello in all-everything orchestras. She has completed her first year at CSCLB where she was a member of the Honors Program. Ann is majoring in clinical psychology and minoring in creative spelling. Until Ann began expounding on the subject, no one realized how BIZARRE everything around here really is. Miss Tyndall's guitar and enthusiastic voice has certainly added a lot to the after-meal sings. She is quite partial, we've noticed, to a certain Kitchen Staff member - they're both always smiling secret smiles.

SARAH SOLBERG: Another first year counselor is sunny Sarah Solberg. Sarah graduated from Glendale High School, and has completed her first year at UCLA where she is majoring in English and rooms with our own Karen Kimes. She plays clarinet in the Wind Ensemble, and enjoys swimming for her health. While in High School, Sarah played in the clarinet sections of the All-Southern California Honor Band, and the All-California Orchestra. S'Rah, as we like to call her, is a motorcycle enthusiast. That is, she was. Early this session Miss Solberg had a little fall, and consequently she is now seen with her newest fashion accessory - a cast on her arm. This equipment has not slowed down her enthusiasm, however, and it seems that the only thing that S'Rah cannot do for herself is tie her shoes.

KAREN KIMES: After six summers as a camper, Cabin One's second year counselor, known as the "Knee" to many, "Miss America" and "Cuddles" to Cabin One girls, "dearest" to J. M., and "roomie" to Sarah, has done her best this session to see that the mail arrives on time, that campers are entertained at dances, and that slumber music goes on each evening. Karen, who graduated with honors from Long Beach Poly, was a National Merit Finalist, and played in All-City, All-Southern, All-California, All-Western, and Arrowbear (yea!) honor groups, along with every other group that came along, including the Long Beach Jr. Concert Band. She majors in music and will start her second year at UCLA this fall, where she plays in the Wind Ensemble and Clarinet Choir. Among her many negligible talents, you will surely want to remember Truckin' on Down and Uuughly Stick Whompin'. Of course her leisure time is spent battling the dust which persists in adorning her beloved Porsche, better known as the AHC Mail Wagon.

PAT GAYLORD: Another in our corps of first year counselors is Miss Pat Gaylord. Pat, who graduated from Poly High School in Long Beach has completed her first year of study for the Nursery (as in nurses, R.N.) at Long Beach City College. Pat has played violin, but currently her musical talents are put to use as a member of the soprano section of the famed LBCC Choir. Campers are familiar with Pat's amazing "rock out" ability with a tambourine at the after-meal sings. Pat deserves all our thanks for tending sickies in the absence of Newby. One big shock Pat received was coming in late one night to find she couldn't get into her pajamas as easily as usual. This incident prompted one of the most memorable events of this session - the Balloon Bombardment at Flag Raising of the suspected culprit - Sarge!!

ELYN PESAVENTO: Joining the ranks of first year counselors this session is famed folk-singer, Miss Elyn Pesavento. Elyn graduated in February from Millikan High School in Long Beach. She played violin in orchestra at Millikan, and also in All-City, All-Southern, and All-California orchestras. She teaches folk guitar and violin, and works in a music store. In the fall Elyn will be attending San Francisco State as a music major on a scholarship she received from S. F. State Music Department. In her spare time, Elyn enjoys singing, horseback riding, and just plain messing around. We were all happy to have the chance to get to know "The New" Elyn this session.

LORRIE LANGEVIN: Counseling for her first year after spending six years as a camper is Lorrie Langevin. Your editor recently graduated from Millikan High School in Long Beach where she served as Assistant Head Kidette and Student Body Secretary. As a member of the 'cello section at Millikan, Lorrie also had the opportunity to play in the All-City, All-Southern, and All-California orchestras. Next year she will be attending LBCC with hopes of eventually teaching third grade. One thing Lorrie enjoys almost as much as typing this paper is helping in the kitchen after meals, and spending her summers at Arrowbear.

GEORGE KEYS: One of our distinguished male counselors, George Keys, is spending his first summer as a counselor after two years as a camper. George graduated recently from Mark Keppel High School in Alhambra where his vast musical talents were developed to their present volume. George played baritone, alto and tenor saxophone, was Drum Major in the marching band, won the John Philip Sousa award for the outstanding senior musician, and sang in the Chamber Choir. George was an early victim of the motorcycle jinx that is plaguing the counseling staff, and is currently exhibiting a foreboding bandage above and below his right elbow. It has in no way dampened his spirits, however, and we all enjoy his perpetual good humor.

DAVID RAIN: Beneath the golden blond locks and smiling blue eyes of David Rain lies a deep love of music and Arrowbear. David is spending his second summer here as a counselor after several years as a camper. David is a graduate of Jordan High School in Long Beach, and has just completed his first year at Long Beach City College as a music major. At LBCC, he played trombone in marching band, baritone in symphonic band and brass ensemble, and trombone in the award-winning Vilkount Stage Band and Neophonic Stage Band. Aside from music, Dave's hobbies include riding motorcycles and hunting. Dave takes unusual pride in growing strawberry blond mutton chops and surprising people with his happy outlook on life. He is a favorite of certain counselors.

JIM RADIN: Hard worker and charming gadabout, Mr. Jim Radin was with us the first week of this session. This was his second summer as a counselor. His accomplishments are many, and varied. He graduated from Millikan High School in Long Beach where he was a Cheerleader and played viola in orchestra. During High School he also played in All-City, All-Southern, All-California, and All-Western Orchestras. He has just completed his first year at Long Beach City College, where he played viola in orchestra, and was a member of the Long Beach Symphony. One of his major hobbies is working at a well-known department store in Long Beach where he learns to dress so dashing. The campers and staff were certainly sorry to say goodbye to Jim, and as his departure date was also his birthday, the generous campers presented the surprised counselor with three very nice shirts. We wish you all the best, Mr. Radin!

DAVE COLLINS: Ever-smiling and enthusiastic is first year counselor Dave Collins. Dave is a recent graduate of Millikan High School in Long Beach, and is a talented violinist. He has performed in the All-City and All-California orchestras. This session Dave celebrated his 18th birthday, and was honored with a testimonial at dinner by Mr. O. Dave can take almost anything you can dish out, and enjoy it. Since he finally got his bathing suit and his beloved ping-pong paddle he feels much better equipped for recreation. Ho-Hum, life at Arrowbear is so gay.

JAY KOHORN: The friendly and familiar face of Jay Kohorn is once again gracing Arrowbear. Jay is returning for his fourth summer as a counselor and accompanist. Because of his vast experience in the field and bravery in the line of duty, Jay has been accorded the very distinct honor of serving as Head Counselor. Jay's musical ability is very vast. He is a 5th year student at UCLA where he is majoring in music. He plays the piano fabulously and is always ready to accompany anyone that requires his services -- be it musicale performance or just for fun. Jay adores locks and bagels, and being cuddled in the morning.

DON FRANKS: Joining us as a member of the counseling staff for the second week of this session is Don Franks. Don is a Bassoonist, and plays with the Long Beach Symphony. He graduated from Wilson High School in Long Beach where he was a member of the Physics Team. Next fall he will attend Cal Tech as an astronomy major. In his free time he enjoys such things as flying, chess, and practicing his bassoon. When asked how he liked being a counselor, Don replied, "It's kind of interesting". We consider Don quite nice to come into a den of plotting people like the boys in the dorm and be so happy and cheerful about it.

## About Arrowbear

A melody of friendship woven into close harmony  
on notes of love and dreams

A Nocturne of soft sounds

A Capriccio of gaiety

A chorus of youth proclaiming deep love of  
music . . .

An overture to a more meaningful life.

— Lorrie  
Langevin

### THE ARROWBEAR SONG

We love life at Arrowbear, Nights are cool and days are fair,  
Not a worry, not a care, Just Music, Music, Music.

We all dress in shorts and jeans, Feed ourselves on ham and beans;  
Happiest days in all our teens with Music, Music, Music.

Hours, we play for hours. And then we make the hills and mountains ring  
They fairly tremble when we sing.

Arrowbear's the place to be, Full of Fun and Harmony.  
Even when we have K P It's Music, Music, Music.

### BAROQUE CHAMBER CONCERT THRILLS AWED CAMPERS:

On Friday evening, July 4, the flickering light of candles filled the Dining Hall. The occasion was the Baroque Chamber Concert presented by Carole and Dennis Dockstader, Ann Tyndall, and Rick Ohlendorf. The harpsichord loaned to camp by San Bernardino State College was moved from the O building to the stage of the Dining Hall. Dennis opened the program with an introduction to the Baroque period.

Dennis opened the program with an introduction to the Baroque Period. Then Carole played a flute solo with harpsichord accompaniment, Sonata in C Major by Bach, in four movements. Next, Dennis explained a little about the harpsichord and performed two works, Pavanna and galyard both by John Bull. Rick Ohlendorf then performed Handel's Sonata in g minor for oboe and continuo. Ann Tyndall played the continuo part for each number on the 'cello. It was indeed a rare treat to hear such fine music of a bygone era performed in such beautiful surroundings.

AKIRA ENDO PERFORMS VIOLIN WIZARDRY TO DELIGHT OF AUDIENCE: On Sunday night, July 6, the campers and staff received a rare treat. Following in the tradition of past years, a guest artist was presented in a program of inspiring music. This session, we were very fortunate to hear Mr. Akira Endo, a former camper, counselor, and staff member. His program included the First Movement of Concerto, Opus 35, by Tschaiakowsky, Capriccio - Valse Opus 7, by Wieniawski, Scherzo-Tarantelle, Opus 16, by Wieniawski, and as an encore, Spanish Dance No. 3 Opus 22, by Sarasate. In each of these works he was accompanied by the extremely capable Jay Kohorn. The brilliance of his tone and beauty of expression were a definite inspiration to the awed campers. It is always a pleasure to have Mr. Endo in camp.

Last March Mr. Endo had the honor of conducting the New York Philharmonic at Lincoln Center as a result of his placing in the Metropoulis International Conducting Contest in New York. After his appearance at camp on Sunday, he left for conducting assignments with the American Theatre Ballet in the East.

His charming wife, Susan, Accompanied him on his visit to camp. She is also a former camper, counselor, and staff member. Both Mr. and Mrs. Endo and their children, Stephanie, Gregory, and Julie, will be back for the second week of the Senior High and College Session.

#### BEST CAMPERS CHOSEN TO DEVOUR DINNER AT LLOYD'S

As has become tradition at Arrowbear, each week of a camp session one boy and one girl are chosen by the counselors and staff to be eligible to have the names drawn to enjoy a free dinner at Lloyd's in Running Springs, as appreciation for being excellent campers. The two campers chosen for each week of the second session are:

KATHY ROSS: The girl selected for the first week was Kathy Ross. Kathy was first chair 'cello this session, till she left at the end of the first week. Next fall she will be a sophomore at Rdy High School in Long Beach. During the afternoon before her scheduled trip to Lloyd's, Kathy developed a temperature and was unable to go. She retains her title, however.

BARBARA WOLF: The name pulled out of the can when it was learned that Kathy was unable to go was that of Barbara Wolf. Barbara is a string bass player, and in the fall will be a sophomore at Rancho Alamitos High School in Garden Grove. She enjoys homemaking, and says she was surprised and excited when she learned of her selection as best camper.

JOHN MIDDLEBROOKS: Kitchen helper-outer and trombonist John Middlebrooks was the male selected best camper for the first week. In the fall John will be a sophomore at Jordan High School in Long Beach. His hobby is chemistry, and when asked how he reacted to the announcement that he was best camper he assured me that he "never expected it".

JUDI DILL: A budding oboist, Miss Judi Dill was selected as the best girl camper for the second week. Judi also enjoys playing the piano and reading. In the fall she will be attending Wilson High School in Long Beach as a sophomore. Judi smiled and answered with an enthusiastic "yes" when asked if she enjoyed her trip to Lloyd's.

JEFF HAMILTON: Smiling trumpet player Jeff Hamilton was the male best camper for the second week. Jeff has many interesting hobbies, such as playing the recorder, collecting stuffed tigers, and painting rocks. In the fall he will be a sophomore at Wilson High School in Long Beach. Jeff was surprised to be chosen as best camp, saying it was entirely unexpected.

#### PATRIOTIC PROGRAM INSPIRES CAMPERS ON JULY 4

Under the guidance of staff member Mrs. Loschen, six campers prepared for and delivered a truly inspiring program for the 4th of July. John Middlebrooks was the Master of Ceremonies, and the speakers were Judi Dill, Hannah Goodwin, Frank Dillinder, Gary Halvorson, and Nancy Mathison. Each spoke on the basic theme of the program, "What America means to Me". The music was provided by the audience singing The National Anthem with Jay Kohorn accompanying. Mr. O spoke for a few moments, and the program concluded with the audience singing "This Land Is Your Land" accompanied by Ann Tyndall on guitar and Pat Gaylord on tambourine. An afternoon of supervised relays and water balloon fights followed.

#### SANTA'S OFFICIAL BAND PERFORMS CONCERT TO DELIGHT OF ELVES

On Thursday afternoon, July 10, the members of the Camp Stage Band, under the direction of Mr. Hoover, piled into the various available means of transportation and headed for Santa's Village. The bass drum bore a sign declaring them "Santa's Official Band" and they delighted assembled visitors and fellow campers with such hits as "Windy", "Stardust", and "Love Is Blue". All in all, the performance was very well received.

#### SWIMMERS AND SUNBATHERS FLOCK TO AZURE WATERS OF POOL

Once again campers have enjoyed the cooling, caressing waters of the Arrowbear Pool on the sunny warm afternoons of this session. Watching over the happy splashers have been Mr. Simmergren, Mr. Burger, Mrs. Harding, and Mrs. Loschen, and a host of tanning counselors. Everyone was reminded by the convenience of the pool how much we owe to those who contributed to the fund to make it possible.

#### WHAT IS ARROWBEAR MUSIC CAMP?

You are sitting in your English class. It is September and school days are here again. Your teacher has just passed back your first theme of the year which is appropriately titled, "How I Spent My Summer Vacation". She looks you right in the eye, and exclaims, "Why don't you tell everyone what Arrowbear Music Camp is?" You stammer a bit, turn bright red, struggle to your feet, and ponder a moment. What can you say? How can you possibly tell someone all that Arrowbear is? You make a valiant attempt, however, and the result may be something like this.

Arrowbear is a place where love of music fills the days, permeating the very air you breathe. It is people; people who are drawn together and bound by a common goal and a common desire - to make music.

my special thanks to:

Mrs. O for all her help in organization  
and typing the stencils  
Rick Ohlendorf for mimeographing  
Gay Kohorn for all his help and moral  
support.

July 11

I would like to dedicate this issue  
of the Note to Mr. Ohlendorf, who with  
his deep love for music and faith  
in youth has created and made  
Arrowbear into a place of inspiration  
and happy memories for countless  
young people.
