ARROWBEAR MUSIC CAMP

41st Season

Third Session

July 18 to August 1, 1982

The first time that young musicians came up to this location was in 1942 when the Long Beach All-City Junior High Orchestra came up for a weekend outing. The property belonged to Mrs. Ohlendorf's father, F..J..Schinnerer. The group returned the following year and by 1944 two sessions were established - - one for Junior High and one for High School. By 1946 the sessions were lengthened to two weeks.

In late 1948 a bulldozer came to get rid of the old buildings, to establish the new. The orchestra bowl was constructed the following year. In 1952 the two girls' cabins were added as well as the Band Bowl, and in 1954 the trolley appeared. These buildings remain unchanged. Ten years later a series of new buildings were constructed for the 25th anniversary, including the staff building, the "O" building and the swimming pool.

Other improvements have been made since then, including the establishment of Arrowbear Music Camp as a non-profit educational corporation with its own Board of Directors. All of these and more have contributed to making Arrowbear what it is today - - the oldest and finest music camp in the Western United States.

In 1937, FRED OHLENDORF came to Long Beach Unified School District as a music teacher. That first year, he organized an All-District Orchestra. For forty-five years Mr. Ohlendorf has presented concerts with the All-District Orchestras from the Long Beach Unified School District consisting of Junior and Senior High School students. Fred Ohlendorf, as he is affectionately called by his students, received his education at Northwestern University where he played violin and viola. Since then he has served as music teacher in Chicago Heights, Illinois, Long Beach, California and as Music Consultant in Long Beach. Fred Ohlendorf has been honored continually for his efforts on behalf of the musical education of the youth of Southern California. On the occasion of his 45th year as Music Director of the All-District Orchestras, the Long Beach City Council made a Resolution to honor him and recognize his accomplishments. He was also featured in an editorial in the Long Beach Press Telegram. Fred Ohlendorf is a man who has brought music, beautiful music to the ears of many and is a man who has brought out the musical talents in many- which may have gone unrecognized otherwise.

EDNA OHLENDORF is the capable person working behind the scenes year 'round to keep Arrowbear going - - answering phone calls, responding to letters and being responsible for the organizational details. Her generous and cheerful spirit are always felt and greatly appreciated by all who come in contact with her. Mrs. Ohlendorf earned a Bachelor of Music degree in piano performance from USC. She spent many years playing the organ in church and giving private piano lessons in Long Beach. She is a member of Mu Phi Epsilon, the Musical Arts Club, the Long Beach Symphony Guild and an honorary member of the Music Teachers Association.

ARROWBEAR MUSIC CAMP STAFF

JOE BURGER, our Camp Director, has been coming to Arrowbear for Thirty (count 'em) years. Mr. "B" has been teaching instrumental music in the Long Beach area schools for the same length of time and has watched many of his former students go on to achieve recognition for their music.

FRAN HARDING, ALTHOUGH RECENTLY RETIRED FROM TEACHING, IN HER 30th year at Arrowbear, is still very active. A member of that never tiring duo in the office, she is the bookkeeper for AMC. She likes playing the bassoon, traveling and visiting her grandchildren.

LEE EDWARDS, graduate of the University of Arizona, is spending her 8th summer at AMC. She enjoys playing clarinet, skiing and good pranks! She types!!

Assistant Camp Director, SARAH SOLBERG, is a former camper ("Believe It Or Not") and has been attending Arrowbear Music Camp since 1966. She received her education at UCLA where she majored in English (Real English) earning a B.A., MA and Teaching Credential. She received her Doctorate Degree from the University of Edinburgh specializing in Dickens. She now teaches at Southern Utah State College in Cedar City where she plays clarinet in the College Woodwind Quintet and in Faculty Recitals. Sarah is an avid cyclist, cycling over one thousand miles in England and in Scotland. Sarah is also our lifeguard (so be nice to her) and, contrary to popular belief, she really can swim! Arrowbear Music Camp is indeed privileged to have Dr. Sarah as a member of our wonderful staff.

The woman in charge of Music Appreciation and helping out this session with the violins and violas is the wonderful MARTHA EADS. Martha has been coming to Arrowbear since 1947 and met her husband, Ace, here (a true Arrowbear romance). They live in Oakhurst, California, in the Sierra Nevada Foothills near Yosemite. Martha received her Bachelor of Music Degree from USC and is currently working on a "Learning Handicaps" Credential at Fresno State. She plays in a string band in Yosemite. In her spare time (ahem!) she enjoys water skiing and snow skiing.

Cellist Extraordinaire, KAREN BERGEM, has been involved with Arrowbear Music Camp since 1957, six years as a camper, one year as a counselor

and six more as a staff member. A resident of Long Beach, she was a student of Joe Burger and a member of Mr. Ohlendorf's Junior and Senior High All-City groups. She now plays in the Long Beach Symphony and teaches music privately. She was a magnet music teacher for grades one through six at Los Cerritos School in Long Beach. Karen married a vocalist. They have a son, Erik, who is almost nine.

ROGER JOHNSON, our band director for the first week of this session has been attending Arrowbear Music Camp since 1958. He received his BM at CSULB. After four years at DeMille Junior High, he taught at Millikan High School for fourteen years. For the last two and one half years. Mr Johnson has three kids and a sailboat. He is the official AMC chairman of the hot tub committee.

ARROWBEAR MUSIC CAMP STAFF (continued)

PETER FOURNIER, a graduate of USC, is spending his fourth summer at Arrowbear Music Camp. He is the chairman of the Music Department at Estancia High School in Costa Mesa, and director of University of California, Irvine's Wind Ensemble. After a strenuous week of conducting the bands, Mr Fournier enjoys biking, racquetball, and water skiing.

BRENDA THOMPSON is here for her seventh summer. She is the woman everyone in camp is dying to visit. At the beginning of each session she prods and probes each camper for nasty little viruses. Brenda is a graduate of UCLA and when this busy little Bruin isn't making the camp a safe place for humanity she is a school nurse in Long Beach. She enjoys playing piano, playing tennis and Alpine skiing. Other hobbies include cooking (and sampling!) exotic cuisine cultivated from her travels to West Africa, Europe and Mexico. Every camper can rest easy when Brenda is around to keep them healthy.

CAROLE DOCKSTADER will be back next session to straighten up the mess in the kitchen.

STEVE FRASER, band and orchestra director at Stephens Junior High School, is spending his first summer as assistant camp director. And, well, Steve...He cooks, too.

DAVE FENNEL - He cooks; He Trumpets; He Directs Band in Placentia. His favorite hobby is Wesson Oil.

Spending her third summer at Arrowbear Music Camp is DE MILLS, the witty Englishwoman, who originally came all the way from Cambridge, England, now lives in Long Beach, and attends Valencia High School in Placentia. Her instrument is voice and she is a regular Choral Session attendee. She enjoys weightlifting, bicycling and reading.

ANDRE STAMPER plays clarinet and saxophone, is on the Junior Kitchen Staff and enjoys swimming, gymnastics, and the ladies.

COUNSELORS

GINA BARRY is spending her eighth summer at Arrowbear Music Camp. She attends CSULB and is majoring in Political Science with a speciality in Polotics and Policy Formation. When not planning government strategy. She plays viola in the University Symphony. She is also a founding member of the C.C.C. Gina enjoys tennis, raising show dogs, acting silly (which she practices constantly), and planning a career as a leader of the Free World.

DAN DAVIES is spending his tenth year at Arrowbear. Originally from El Centro, Dan has attended CSULB for two years as the cellist of the University String Quartet. Dan now attends New York State University at Purchase and studies with the principal cellist of the New Philharmonic, Lorne Munroe. Dan enjoys skiing, surfing, women, scuba diving, women, backpacking, women, weightlifting and, of course, women.

ROGER DAVIS is a tuba player from Mission Viejo High School where he is also the drum major. He is also presently playing in the Los Angeles Junior Philharmonic and enjoys his position as a member of the C.C.C.

CAROLE DYER is our resident choral expert this session. As an employee of Disneyland, she is also an expert on writing names on hats. She graduated from Orange Coast College and has gone on to CSULB to major in choral conducting. This is Carole's fourth year at Arrowbear and her second as counselor. She will also be counseling choral session. Carole has been named Honorary Instrumentalist for this session. That's all, folks.

A sophomore at CSULB, ROBIN JOHNSON (No relation to R.J. despite her claims) is a music major with an emphasis in performance with her violin. She is concertmistress of the University Orchestra and first violin of the University Quartet. Robin also teaches beginning violin and cello in the Los Alamitos School District during the school year. When she's not waterskiing, jet skiing or watching GH, she's usually eating.

ANNE KLEIN is spending her eighth summer at Arrowbear. She was a camper for five sessions, washed dishes for three sessions. This is her second second as counselor. Anne is a Criminal Justice major at CSULB and will be a junior this fall. She plays violin, works in an antique store and, thanks to the resigning president, L.E., is the current acting president of the "INAM Club".

RENE MILLER is spending her first summer at Arrowbear as a counselor. Currently studying biology at CSULB, she has intentions of studying Verterinary Medicine at UC Davis and enjoys practicing on her campers. (She lost only three this session, but these hangnails are tough!) Her hobbies include aerobics, listening to all kinds of music, fiddling, giving KP, skiing and being obnoxious.

When BRUCE ROCKWELL was born in the Ridgecrest Community Hospital on September 9, 1963, the doctor spanked his mother. A child of the depression, Bruce spent most of his childhood in that lonely desert town. This first-time counselor has finally found a happy existence here at Arrowbear flirting with all the girls. Originally a trombone player as a camper, he now plays piano and guitar. He is heavily into Pop and

COUNSELORS (continued)

Rock Music and has particular interest in Ethnic Music forms. Bruce's future seems to be as nebulous as his past. When asked about the subject, he says. "If I can't make it in music, I think I'll design transparent jeans for women".

DEBBIE STAUDHAMMER IS spending her eighth summer at Arrowbear Music Camp. She is an oboist and occasionally an English Horn player. This coming fall she will be a sophomore biology major at USD. Debbie is a founding member of the C.C.C, and enjoys waterskiing, sailing (or should we say capsizing), snow skiing and red-headed tuba players

LISA VAN SANT IS spending her first summer as a real, live(sometimes) counselor at Arrowbear Music Camp. A recent graduate of Millikan High School (Yahoo), she has ambitions of attending Biola University as a music major. Some of her hobbies include playing the piano (she has given us the honor of being camp accompanist), and viola, badminton, and eating...mostly eating.

DAVE WASHBURN is spending his thirteenth summer here at Arrowbear Music Camp. Having the "popular" job of blowing reveille very early in the morning. Dave has a busy schedule. This session he is also in charge of Stage Band. He received his BA from USC9 wherever THAT is!) and his MM from The New England Conservatory of Music and toured Europe with that orchestra for a month. Dave's favorite hobby is playing creative reveilles.

JOHN WILLS, our red-bearded viola-playing, lyric baritone, hails from Long Beach. A Millikan High School graduate, he has played in the All-District, All-Southern, and All-California Honor Orchestras and the Lakewood Philharmonia. John earned his B.A.inGovernment from Pomona College in Claremont (not Cal-Poly). He hopes to go into the field of International Relations and Third world Development. His favorite activities include music, backpacking, reading and the Dodgers. Much to his chagrin, he was in South Asia when the Dodgers won the World Series.

BRANT HOLLAND. He's a counselor, too! A graduate of Marina High School in Huntington Beach, he will attend USC and Golden West College as a business major this coming year. Eventually he will study in France and Switzerland to become a chef.

SLUMBER MUSIC

Every night, after taps has been sounded by the trumpet, etc., campers and staff members alike are given the opportunity to play soft, soothing compositions for the benefit of the remaining campers - who lay sleeping in their bunks. The strains of music are heard echoing through the hills, and the serenity of camp and the surrounding scenery can be felt.

We would like to take this opportunity to acknowledge those campers and staff members who offered their talent for slumber music.

THE ARROWBEAR FIESTA

Arrowbear Music Camp held its Fiesta on Saturday night, July 24th. Swarms of senores and senoritas descended upon Fiestaville Plaza - after first passing the border patrolled by BRANT'S BOYS' L. The festivities began with a costume contest, followed by a counselor "look alike" contest. A bullfight followed with the great matador El Johnson defeating and demolishing any vicious bulls coming his way. This was followed by the counselors teaching their version of the Arrowbear Hat Dance.

Various booths were available for entertainment. Robin's, Dan's and Lisa's campers ran the very popular kiss-a-gram booth. Closely related was the marriage booth, run by John's and Rene's campers. Dave was undefeated at the Alamo, run by his Dorm guys. Bruce and his Trolley area ran the "Bean-a-Counselor" booth. Anne's girls served tacos, beans and burritos at the cantina. John's and Carole's campers arrested all sinful inhabitants of Fiestaville - mostly for too many marriages - at the jail. Debbie's cabin ran the machos and margaritas booth.

A pinata was broken, Mr. B and Mrs. Eads played some Latin violin tunes and Mr. Johnson served his famous virgin daiquiris. A dance ended an evening filled with fun, excitement and true Mexican atmosphere!

THE WET BEAR

Arrowbear held the Wet Bear on Monday night, July 26. Because of the rain that day, the title seemed very appropriate. Campers filled the dining hall to the sound of Andre's jazz band which later performed a special number. Dan Davies was the Emcee, wowing the girls with his shades and hot pink tie. Theo Douglas was the first act performing "Chariots of Fire" on the piano. Seth Dockstader sold a toy Yoda to an unsuspecting customer. Then came "Attack of the Killer Racoons" with racoons Dan Davies and Bruce Rockwell taking Dave Washburn hostage. Carol Dyer performed "Send in the Clowns" on the piano. Dan Davies came on to do his famous rendition of "Two Pencils for Five".

Professor G.E. Barry and her inept assistant Klein then walked on stage and did a dramatic reading of "The Raven". The act was abruptly ended by Debbie Staudhammer who tossed a cream pie in Gina's face. Bruce and Robin sang the wise words of Robin's old grandma. Megan Kelly and Christie Staudhammer sang a tuneful version of "Bright Camp Days". Cabin One then performed "Pigeons in the Park". Andre played sax solos. De brought the audience to its feet with her original song, "Goodbye". Rene Miller played a fiddlin' tune and the staff performed an act that was, shall we say, interesting. All in all the Wet Bear was a fun evening for everyone.

Another session - another chapter in the Arrowbear Story. Alas, life goes on (much to the disbelief of the multitudes!). Here's to this session's Arrowbearites for all their hard work and devotion (via K.P.); here's to Dave for his 7:15 reveilles; here's to Chicken Fettucini (or whatever it was called this year!); here's to the big white truck which brought in our camp food every morning; but most of all, I'm leaving.

"Thanks for the Memories" Rene Miller, Editor

ARTIST RECITAL

Our Guest Artist this session was George Pehlivanian. George attended Millikan High School and has played violin for eleven years. He studies with Alice Schoenfeld. He plans to attend USC this fall. George has been at AMC for many years - as a camper, kitchen staff, counselor and performer. Recently he was chosen to compete in a nationwide contest of the twelve best violinists in the country. The competition took place in Rochester, New York. George's program Sunday night consisted of the following:

First Movement of the g minor unaccompanied Sonata by Bach

Armenian Song

Spanish Dance

First Movement of Mendelssohn's Violin Concerto

CAMP VISITOR PERFORMS

One of our visitors in camp was a flautist, Karin Hoesli. Karin's performance proved to be most beautifully played. Her performance pieces included: Sonata in E^b Major (#6) - Allegro and Adagio by J.S. Bach, "Duo for Flute and Piano" Second Movement by Aaron Copland, Andante in C Major by Mozart, Sonata in D Major - Allegro con brio by Prokofiev and Sonata in C (#4) - Andante, Presto - by J. S. Bach. Karin's visit was very much appreciated.

P S S O

Post-Script - Staff Offspring

Camp wouldn't be the same without the "pitter-patter of little feet" as evidenced by Roger Johnson's "shadow" DANNY JOHNSON; budding authors SETH DOCKSTADER and ERIC EMERY with their book "How To Build A Fort" almost ready to go to press; Artist BRECK DOCKSTADER with his sketch pad and last, but not least, our little bird LARKE DOCKSTADER.

LUCKY CAMPERS

Each week Lloyd's Restaurant in Running Springs treats one boy and one girl camper to a fine meal. The campers who are eligible to go are those who have distinguished themselves during the session in their leadership and musicianship.
