ARROWBEAR MUSIC CAMP

28TH YEAR

July 13 to 27, 1969

== == == == == == == == == == == == ==

The third session has the distinction of having been one of great accomplishments. Apollo 11 landed successfully on the moon while we were together in camp. Certainly an event of such magnitude that it will go down in history as one of man's spectacular achievements.

Musically camp also reached an all time peak. We had such artistic presentations as the Baroque Concert; Dennis trembly, string bass virtuoso; California State College at Long Beach Woodwind Quintet; campers performing The Trout Quintet with Jay Kohorn at the piano; the Los Angeles High School Honor Band appearance, and all the outstanding talent in camp. All this has given us a session we shall never forget.

We hope your life has been enriched by your attendance and that you will return to your studies with a greater ambition to excel.

Our very best wishes always,

Fred Ohlendorf

About Arrowbear

A melody of friendship woven into close harmony on notes of love and dreams.

A Nocturne of soft sounds

A Capriccio of gaiety

A Chorus of youth proclaiming deep love of music

An overture to a more meaningful life.

— Lorrie
Langevin

music washes away from the soul the
dust of everyday life

— Auerbach

LEAVING Arrowbear IS LIKE LEAVING HOME

Your only thoughts are of coming back.

— Kim Kay

All things shall perish from under the
sky

music alone shall live !

What makes a clock tick? Perhaps it's the same thing that makes Arrowbear run - a great directing staff. And here they are:

MR. FRED OHLENDORF: The man to whom all owe the opportunity to come to Arrowbear is none other than our captivating camp director, Mr. Fred Ohlendorf. Mr. O, as he is affectionately called by all campers, is responsible for fostering in millions of young people the desire to excel in the field of music. He was educated at Northwestern University and USC, and is currently holding the position of Consultant of Fine Arts for the Long Beach Unified School District. Mr. O is responsible for organizing and directing the All-District Junior and Senior High School Orchestras in Long Beach each year, a job which he always assumes with dedication and love. Mr. O's humanitarian efforts and his musical efforts have been recognized nation-wide, as he is listed in Who's Who in the West. Along musical lines (of the staff, of course) he has served as President of CMEA and on the Board of Directors of MENC. Mr. O is one person whom everyone always remembers as being dedicated and truly interested in young people. His spirit and humor on the podium have convinced countless campers what Mr. O and Arrowbear have always stood for - Love of Music can add so much to life.

MRS. EDNA OHLENDORF: Standing beside Mr. O through thick and thin, major and minor, flat and sharp, and all the rest of the time, too, is his devoted wife, Mrs. Edna Ohlendorf. Besides assuming all of the book-keeping and clerical duties that keep Arrowbear running smoothly, Mrs. O is also the responsible mother of the 130 odd campers that invade Arrowbear each session. During the winter months she gives piano lessons, takes care of the secretarial work for the coming summer, and keeps her family in line. Mr. and Mrs. O met at USC, where both majored in music. Mrs. O holds membership in Mu Phi Epsilon, Professional Music Sorority, the Music Teachers' Association of California, and is listed in Who's Who of American Women. The charm and cheerfulness of Mrs. O is always amazing to those of us who know how much she has to do, but it is so nice to have someone like Mrs. O around who epitomizes the qualities of unselfishness and devotion.

Mr. Joe Burger: Keeping campers and counselors in line is one of the many jobs of experienced Assistant Camp Director, Mr. Joe Burger. He has spent many summers at Arrowbear, and seems to add spark and zip to the most menial tasks, such as inspecting the boys dorm and supervising K P activities. During the winter months Mr. Burger teaches music in the elementary schools of the Long Beach Unified School District and keeps his fingers nimble by playing violin in the Long Beach Symphony. He is a graduate of Southwest Missouri State College. Campers and young people everywhere are grateful to Mr. Burger for all that he has done to keep interest in music running at least even with talking on the telephone and playing the radio. During recreation periods, Mr. Burger can usually be seen ambling across the mountain roads with a carful of happy campers who enjoy the flashy red convertible, or perched on the sun deck at the pool casting the famous eagle-eye at the frolicking swimmers.

MRS. FRANCES HARDING: Returning to Arrowbear once again, to the delight of many is Mrs. Frances Harding, also an Assistant Camp Director, affectionately known as "Sarge". Any amount of research into the reason for this title would undoubtedly lead to the discovery that she is responsible for inspecting the Girls Dorm and distributing KP duty to those fortunate enough to earn the honor. During the school year, Mrs. Harding teaches at Stephens Junior High School in Long Beach where she is 60% counselor and 40% teacher. Her musical talents range from playing bassoon and Music Appreciation records to Grunion Hunting. Sarge's pleasant smile and charming manner have made her as much a part of Arrowbear as the music. During these first three sessions, the rawhiding counselors have been very thankful for Sarge's famous tube of Vibra Clean. It seems to keep things running smoothly, as does Sarge.

MRS. JUNE SAMS: Spending this session coaching ensembles, teaching theory classes and helping the camp flute tooters is the ever-smiling Mrs. June Sams. Mrs. Sams graduated from UCLA'S Music Department. There she also became a member of Mu Phi Epsilon, Professional Music Sorority. Later she studied at CSCLB where she earned her elementary teaching credential. She has spent many years here on the staff at Arrowbear and is always much appreciated. She is the mother of two fine sons, Bob and Jim, who are musically inclined, also, who spent several years at Camp. Her husband has visited her frequently this session, and it is interesting to note that he is a pilot in the Reserves. Mrs. Sams is so very nice and cheerful all the time, that it's really neat to have her with us.

MR. DENNIS DOCKSTADER: Teaching theory classes, fixing everything there is to fix, building a room, with Rick, onto the Boys Dorm. and playing the harpsichord and playing percussion are but a few of the accomplishments of one of Arrowbear's hardest workers, Mr. Dennis Dockstader. Having been married to a former Ohlendorf for 3½ years, Dennis has become a permanent ^{part} of camp. He and Carole spent the winter (one of the most severe ever) at Arrowbear, living in the O house. Dennis is a music major at California State College at San Bernardino and plays percussion, piano, and harpsichord. He played in the University of Redlands Orchestra and the San Bernardino Symphony along with his charming wife. This session Dennis performed in a concert with the Redlands Bowl Orchestra for their Summer Concert Series. Arrowbear's Handiest Man with music in hand is Dennis Dockstader.

MR. ROBERT GIBSON: Directing the camp orchestra, coaching ensembles, and teaching theory classes is the very talented Mr. Robert Gibson. Mr. Gibson is a graduate of Northwestern University with a Master's in Music, and also did graduate study at USC and CSCLB. He keeps his violin playing so beautiful by playing in the Long Beach Symphony and the Long Beach String Quartet. This next school year, Mr. Gibson will assume his new position as director of instrumental music at Millikan High School in Long Beach, which is famous for the high standards of music it maintains. Mr. Gibson's hobbies include sports and, naturally, violin artistry. His charming wife, who is a professor at CSCLB, has been gracing the scenery of Arrowbear this session. Mrs. Gibson is a member of Sigma Alpha Iota, Professional Music Fraternity for Women. Mr. and Mrs. Gibson are the proud parents of three fine sons who are all musically inclined and who are all Arrowbearites. Chris, the oldest, is married attending Stanford University. Craig is a student at the University of

and recently
graduated from

California at Santa Barbara, and Kim the youngest is a camper this session. We are very fortunate to reap the benefits of the very talented Gibsons here at Arrowbear.

MRS. JEAN TYNDALL: Our wonderful nurse this session is Mrs. Jean Tyndall. She is a graduate of the University of Iowa, where she received her BS innursing. Later she attended CSCLB where she earned her school nursing credential. During the school year, Mrs. Tyndall is a nurse in the elementary schools of the Long Beach Unified School District. Her hobbies are sewing and knitting, and her flashing needles can be seen everywhere at camp from pool to patio. She is the mother of Bizarre Counselor Ann, daughter Kathy, Son Bill who is a camper this session, and son Chris who at the ripe old age of 10½ is already blowing a fine French horn. Nurse Tyndall has really been a great asset to Arrowbear this session, having mastered the technique of combating all the strange diseases that campers come up with.

THE ARROWBEAR SONG

We love life at Arrowbear, Nights are cool and days are fair,
Not a worry, not a care, Just Music, Music, Music.

We all dress in shorts and jeans, Feed ourselves on ham and beans;
Happiest days in all our teens with Music, Music, Music.

Hours, we play for hours. And then we make the hills and
mountains ring They fairly tremble when we sing.

Arrowbear's the place to be, Full of Fun and Harmony.
Even when we have K P It's Music, Music, Music.

SECOND GENERATION CAMPERS: Throughout the history of Arrowbear, many have come to camp and enjoyed it so much that they encourage their friends, and later their children to come to camp. This session we have several campers whose parents were one-time Arrowbear campers. The are: Jim Fraser, Sharon Selover, Tamara Seiter, and Wayne Selover (Kitchen Jr.), and Steve Townsend.

SWIMMERS AND SUNBATHERS FLOCK TO AZURE WATERS OF POOL

Once again campers have enjoyed the cooling, caressing waters of the Arrowbear Pool on the sunny warm afternoons of this session. Watching over the happy splashers have been Mr. Gibson, Mr. Burger, Mrs. Harding, Mrs. Sams, Mrs. Tyndall, and a host of tanning councilors. Everyone was reminded by the convenience of the pool how much we owe to those who contributed to the fund to make it possible

Now presenting the gorgeous group of Gourmet Cooks, the Kitchen Staff:

RICK OHLENDORF: Arrowbear's Chief Cook and Gourmet specialist is another in the clan that has become known to millions as the First Family of Music, The Ohlendorfs. It's Rick whom we all have to thank for the fabulous fare we devour each meal. Rick attends California State College at Long Beach, where he is a music major. Last spring Rick gave his Senior Recital proving beyond a shadow of a doubt his fantastic and amazing ability on oboe. Rick has spent the majority of his life during the summer at Arrowbear. He is an absolute whiz with mechanical things, and has had much to do with the way Arrowbear keeps running so smoothly. We all realize how lucky we are to be cooked for by Rick and company. During the concert season Rick plays English Horn with the Long Beach Symphony.

CAROLE (OHLENDORF) DOCKSTADER: The Mona Lisa of the kitchen is Mrs. Carole Dockstader. A former Ohlendorf, Carole has spent 22 summers at Arrowbear; first as an infant, then a child, then a camper, then a counselor, and now as a cook. Carole is multi-talented as anyone can tell at a glance. She is a graduate of Lakewood High School and attended Long Beach City College before earning her MRS degree. She plays flute with delicacy and sweetness, which describes her personality perfectly. She has tooted said flute in the University of Redlands Orchestra and the San Bernardino Symphony. Carole seems to add a ray of sunshine to the Arrowbear kitchen in the early mornings.

MIKE MECKNA: To look at Mike Meckna in the kitchen you'd think it was the happiest place on earth; and you just might be right! Mike has the distinct quality found so rarely, but so greatly needed in the world - love of life and people. His culinary skills are above great - they're groovy! He hasn't always been a cook, however. He spent four years as a camper and four as a counselor. His virtuoso trumpet playing has graced many lucky orchestras and various other groups. He received his early education at Millikan High School and Cal State at Long Beach. He has continued study with stints at La Universidad Ibero Americano in Mexico City, and more recently at Boston Univeristy on a fellowship. Happiness is a guy named Mike Meckna!

A new invention this year - presenting the Prune-Handed Jr. Kitchen Staff:

JOHN RABOLD: Washing dishes, stacking glasses, scraping plates, and doing all the other dirty work that comes along on the back porch of the kitchen is Arrowbear's Astronomer-in-Residence, John Rabold. John will be a junior next year at Millikan High School where he plays terrific tuba in Marching Band, Symphonic Band, Straw Hat Band, and Orchestra. John's interest in the field (oops! sorry 'bout that!) of Astronomy can be noticed on dark, moonless nights when he gazes through his telescope located on the First Aid Porch at the famous skies of Arrowbear.

WAYNE SELOVER: Assisting with the dish washing and glasses stacking this session is Wayne Selover. Wayne will also be a junior at Millikan High School this fall. He played trombone in All-City Orchestra and All-Southern California Honor Band last year. At Millikan he also participated in Marching Band, Symphonic Band, Straw Hat Band, and Orchestra. Sharing John's interest in Astronomy, Wayne is Vice-President, and John is President of Quasars, an Astronomy Club for teen-agers in Long Beach. Underneath that seemingly rough exterior, Wayne is really warm and sentimental.

And now presenting that well-known group of helpful, happy counselors:

ANN TYNDALL: Spending her first summer as a counselor after several as a camper, is the effervescent Miss Ann Tyndall. Daughter of one of Arrowbear's finest nurses, Ann always adds that important ingredient known as T.L.C. (tender loving care) to her job as counselor. Ann graduated from Millikan High School in Long Beach, where she played 'cello in all-everything orchestras. She has completed her first year at CSCLB where she was a member of the Honors Program. Ann is majoring in clinical psychology and minoring in creative spelling. Until Ann's campers began expounding on the subject, Ann never realized how much fun it is to call people strange vegetable names. Miss Tyndall's guitar and enthusiastic voice has certainly added a lot to the after-meal sings. She is quite partial, we've noticed, to a certain Kitchen Staff member - they're both always smiling secret smiles.

SARAH SOLBERG: Another first year counselor is sunny Sarah Solberg. Sarah graduated from Glendale High School, and has completed her first year at UCLA where she is majoring in English and rooms with our own Karen Kimes. She plays clarinet in the Wind Ensemble, and enjoys swimming for her health. While in high school, Sarah played in the clarinet sections of the All-Southern California Honor Band, and the All-California Orchestra. S'Rah, as we like to call her, is a motorcycle enthusiast. That is, she was. Always a favorite with campers, Sarah has youthful enthusiasm and a ready smile

KAREN KIMES: After six summers as a camper, Cabin One's second year counselor has done her best this session to see that the mail arrives on time, that campers are entertained at dances, and that slumber music goes on each evening. Karen, who graduated with honors from Long Beach Poly, was a National Merit Finalist, and played in All-City, All-Southern, All-California, All-Western, and Arrowbear (yea!) honor groups, along with every other group that came along, including the Long Beach Jr. Concert Band. She majors in music and will start her second year at UCLA this fall, where she plays in the Wind Ensemble and Clarinet Choir. Of course her leisure time is spent battling the dust which persists in adorning her beloved Porsche, better known as the AMC Mail Wagon. She is the official Yogurt Girl of Arrowbear - devouring at least two cartons a day.

PAT GAYLORD: Another in our corps of first year counselors is Miss Pat Gaylord. Pat, who graduated from Poly High School in Long Beach, has completed her first year of study for the Nursery (as in nurses, R.N.) at Long Beach City College. Pat has played violin, but currently her musical talents are put to use as a member of the soprano section of the famed LBCC Choir. Campers are familiar with Pat's amazing "rock out" ability with a tambourine at the after-meal sings. Her abilities as Rawhider and Lifesaver are well-known to campers and staff.

CHARLOTTE SATO: A new face on the counseling staff this session is lovely Miss Charlotte Sato. Charlotte graduated from Long Beach Poly High School with a 4.0 grade point average. At Poly she was Concertmistress of the Orchestra, a member of Polyettes for two years, and participated in the All-City and All-California Orchestras. Next year she will be attending Long Beach City College with an undetermined future career. Anything Charlotte chooses to do will certainly be a success. Her happy nature, bubbly enthusiasm, pretty smile, and willingness to work have made her a welcome addition to our counseling staff.

LORRIE LANGEVIN: Counseling for her first year after spending six years as a camper is Lorrie Langevin. Your editor recently graduated from Millikan High School in Long Beach where she served as Assistant Head Kidette and Student Body Secretary. As a member of the 'cello section at Millikan, Lorrie also had the opportunity to play in the All-City, All-Southern, and All-California orchestras. Next year she will be attending LBCC with hopes of eventually teaching third grade. One thing Lorrie enjoys almost as much as typing this paper is helping in the kitchen after meals; and spending her summers at Arrowbear.

JAY KOHORN: The friendly and familiar face of Jay Kohorn is once again gracing Arrowbear. Jay is returning for his fourth summer as a counselor and accompanist. Each camp musicale is carefully planned and kept running smoothly by him. Jay's musical ability is very vast. He is a 5th year student at UCLA where he is majoring in music. He plays the piano fabulously and is always ready to accompany anyone that requires his services - be it musicale performance or just for fun. Many campers and staff members are easily enamored with Jay's charm and beautiful brown eyes.

GEORGE KEYS: One of our distinguished male counselors, George Keys, is spending his first summer as a counselor after two years as a camper. George graduated recently from Mark Keppel High School in Alhambra where his vast musical talents were developed to their present volume. George played baritone, alto, and tenor saxophone, was Drum Major in the marching band; won the John Philip Sousa Award for the outstanding senior musician, and sang in the Chamber Choir. Since removal of his bandage early this session, George can be seen frolicking at the pool and downing watermelon speedily.

DAVID RAIN: Beneath the golden blond locks and smiling blue eyes of David Rain lies a deep love of music and Arrowbear. David is spending his second summer here as counselor after several years as a camper. David is a graduate of Jordan High School in Long Beach, and has just completed his first year at Long Beach City College as a music major. At LBCC he played trombone in marching band, baritone in symphonic band and brass ensemble, and trombone in the award-winning Vikcount Stage Band and Neophonic Stage Band. Aside from music, Dave's hobbies include riding motorcycles and hunting. Dave takes unusual pride in growing strawberry blond mutton chops and surprising people with his happy outlook on life.

DAVE COLLINS: Ever-smiling and enthusiastic is first year counselor Dave Collins. Dave is a recent graduate of Millikan High School in Long Beach, and is a talented violinist. He has performed in the All-City and All-California Orchestras. Dave is the camp recreation enthusiast taking over the organization of the volleyball tournament, ping pong tournament and the maintenance of the paper.

KIRK STEPHENSON: Another counselor who joined the staff for this session is Kirk Stephenson. Kirk graduated early from Huntington Beach High School. He is a fine singer, and has attended Choral Session at Arrowbear for two years. He has sung in choral groups since he was in 4th grade, and has been a performing member of the popular young singing group The Young Americans. Not only is Kirk a fine athlete and lifeguard, but he also enjoys the finer things in life such as watermelon eating and being the other half of the K & K Yogurt Duo.

DENNIS TREMBLY BOWS BASS TO ASTOUND AUDIENCE

On Sunday afternoon and evening, the soaked grounds of Arrowbear prevented the scheduled concert of the orchestra (the band was able to perform after the rain). However, Mr. Dennis Trembly, the guest artist scheduled for the evening performance was happy to oblige the assembled guests with portions of his program repertoire. Later that evening, following moon walks, he concluded. Dennis is a truly virtuoso bassist, and has been acclaimed far and wide. He graduated from Millikan High School, was a former camper, and has since played on tours with various groups all across the nation. Unbelievably, his entire program consisted of only one number written for bass. Everything else was originally written for 'cello. His repertoire was:

- Concerto for Bass by Dittersdorf
- Kol Nidre by Bruch
- Adagio and Rondo by Weber
- Tarantella by Squire
- The Swan by Saint-Saens
- Prayer by Bloch

It was without a doubt one of the most inspiring performances our campers and guests will ever witness. The piano accompaniments were artistically and sympathetically played by Jay Kohorn.

CSCLB WOODWIND QUINTET PRESENTS PROGRAM OF CONTEMPORARY WORTH

Also performing to the delight of guests and campers on Sunday evening, July 20, were the members of the California State College at Long Beach Woodwind Quintet. The members of the group are Tom Scanlon, flute; Rick Ohlendorf, oboe; John Dorch, clarinet; Reece Greeley, bassoon; and Ronn Kaufmann, French horn. Their program consisted of

- Three Shanties by Malcom Arnold
- Trois Pieces Breves by Jaques Ibert.

The beauty and clarity of their tone, combined with their very musical performance made the evening one to remember.

COMBO ROCKS OUT FOR SANTA'S ELVES

On Thursday afternoon, July 24, a combo composed of Nathan Richardson and Steve Roddie on Sax, Scott Avery on drums, and Eric Brenton on guitar performed on behalf of Arrowbear at Santa's Village. Their repertoire included such hits as "To Sir With Love", "Up, Up and Away", "Windy", "Michele", and "By the Time I Get to Phoenix". It was really a sight to see Santa's elves rocking out to the beat of Fantastic Four from Arrowbear.

LOS ANGELES HIGH SCHOOL HONOR BAND PERFORMS FOR CAMPERS:

On Friday, July 25, the Los Angeles High School Honor Band came to present a concert for the campers. The program consisted of

Chant and Jubilo	Mosaica de Mexico
Zorba the Greek	Jazz Suite
Great Themes from Great Italian Movies	
Love is a Many Splendored Thing	

It was certainly gratifying and inspiring to the campers to see the enthusiasm displayed by our visitors.

"Be at the right place at the right time
with the right equipment and the right
attitude".
CAMP MOTTO

BAROQUE CHAMBER CONCERT THRILLS AWED CAMPERS

On Friday evening, July 18, the flickering light of candles filled the Dining Hall. The occasion was the Baroque Chamber Concert presented by Carole and Dennis Dockstader, Ann Tyndall, and Rick Ohlendorf. The harpsichord loaned to camp by San Bernardino State College was moved from the O building to the stage of the Dining Hall. The stage had been moved in front of the fireplace making a theatre in the round.

Dennis opened the program with an introduction to the Baroque Period. Then Carole played a flute solo with harpsichord accompaniment, Sonata in C Major by Bach, in four movements. Next, Dennis explained a little about the harpsichord and performed two works, Pavanna and Galia e Gigue by John Bull. Rick Ohlendorf then performed Handel's Sonata in g minor for oboe and continuo. Ann Tyndall played the continuo part on the 'cello for each number. It was indeed a rare treat to hear such fine music of a bygone era performed in such beautiful surroundings.

BEST CAMPERS CHOSEN TO DEVOUR DINNER AT LLOYD'S

As has become tradition at Arrowbear, each week of a camp session one boy and one girl are chosen by the counselors and staff to be eligible to have their names drawn to enjoy a free dinner at Lloyd's in Running Springs, as appreciation for being excellent campers. The two campers chosen for each week of the third session are:

First Week: Maureen West - The girl chosen best camper for the first week was pretty red-headed bass player, Maureen West. Maureen will be a sophomore at Wilson High School in Long Beach this fall. Last year Maureen was a member of the All-City Junior High Orchestra. This is her second session at camp this summer, and her third summer as a camper.

PAUL FRANKENFELD: Our best boy camper the first week was the very dynamic Mr. Paul Frankenfeld. This next school year Paul will also be a sophomore at Wilson High School in Long Beach. Paul lists music as his favorite pastime, and plays piano as well as viola. This is his fourth year as a camper. Last year he was a member of All-City Junior High School Orchestra.

Second Week: BARBARA GOOREVITCH - One of the very active "turkeys" of Cabin Two, Barbara Goorevitch, was chosen as the best girl camper for the second week. Next year Barb will be a sophomore at Mission Viejo High School in Irvine. She plays oboe and violin, and swings a mean ping pong paddle. This is her second summer at Arrowbear. The proof of her ping-ponging superiority is the fact that she won the Girls Division of the Arrowbear Ping Pong Championship.

DAVID KOERNER: An outstanding violinist, David Koerner was chosen as the best camper from the boys the second week. David will be a ninth grader at Jefferson Junior High School in Long Beach next year, and plans again to participate in the All-City Junior High Orchestra, as he has for the past two years. In his addition to his vast mastery of the violin, David also teaches piano lessons.

GOSSIP GOES "SNOOPY"

This edition of the famous Arrowbear NOTE is appearing with a new twist to the gossip section - the arrival of Sentimental and Emotional sayings about campers that describe them. WHAT IS ARROWBEAR MUSIC CAMP?

You are sitting in your English class. It is September and school days
are here again. Your teacher has just passed back your first theme of
the year which is appropriately titled, "How I Spent My Summer Vacation".
She looks you right in the eye, and exclaims, "Why don't you tell
everyone what Arrowbear Music Camp is?" You stammer a bit, turn bright
red, struggle to your feet, and ponder a moment. What can you say? How
can you possibly tell someone all that Arrowbear is? You make a val-
iant attempt, however, and the result may be something like this.

Arrowbear is a place where love of music fills the days, permeating the
very air you breathe. It is people; people who are drawn together and
bound by a common desire -- to make music.

Greet your friends at the Annual.

my very special thanks to:

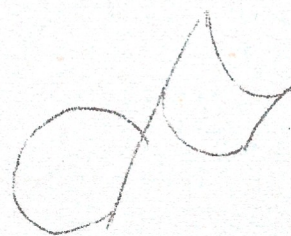

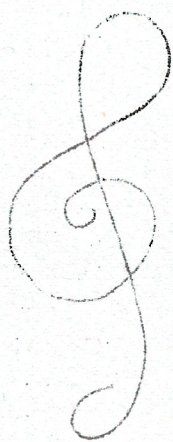

Mrs. O who typed all the stencils & helped me
all the time

Rick O., Sarah, & Jay for help in mimeographing

I would like to dedicate this issue of the
Note to Mr. Joe Burger. Not only do I owe him
my gratitude for teaching me to play the cello,
but also I thank him for inspiring me with the
rich blessings of music; and we all owe
him more gratitude than we can ever
express for being our friend; for helping
(over) (over)

us solve any problems which arise; for
being someone who we can always talk
to with candor and confidence; for
keeping us in line when we need
it, organized, and always happy here
at Arrowbear.

Forrie Langewin
