THE NOTE

Arrowbear Music Camp

25th Anniversary

August 4 - August 14

DIRECTOR'S
MESSAGE

This is the 25th year that Arrowbear Music Camp is being used by young musicians for a vacation with a purpose.

Many thousands have used the camp program and facilities for increasing their understanding and appreciation of fine music. We all hope that by living and working together, campers have made friendships and built-up happy memories.

If the rocks and hills of Arrowbear could reproduce all the beautiful music which has been performed in camp and if the joyous experiences of all could be told again, it would indeed be impressive.

We hope all campers attending the fourth session of the 25th anniversary year will continue with the tradition Arrowbear Music Camp established in 1942.

Fred Ohlendorf
Fred Ohlendorf
Camp Director

THANK YOU

Mr. and Mrs. Ohlendorf, it is difficult to express the gratitude of the many campers and staff members for what you have given us, all of us, in our years at camp. We can find no other words better than simply, "Thank you--

For getting up at 4:00 a.m. to see that everyone is safe and sound,

For taking the extra time and patience to explain a new musical concept to us,

For giving us the typewriter when you really need to use it yourself,

For making up the difference so that we could have a new swimming pool,

For making sure the eggs are well-cooked,

For registering us when we "forgot all those papers",

For giving us a little more to feel in music,

For giving us twenty-five years of devotion.

Thank you."

THE STAFF

WRED OHLENDORF - When a man serves as teacher, contractor, chef, father, conductor, psychologist and conservationist, we call him versatile, or more accurately, Mr. Ohlendorf. As camp director, Mr. "O" must be, and is, at home in all of these fields. A baton in one hand and a wrench in the other is his trademark. After receiving degrees from Northwestern University and U.S.C., Mr. "O" came to Long Beach where he worked with the All-City Orchestra and attained his present position of supervisor of music in the Long Beach School District. He is a past president of the CMEA and has served on the MENC board of directors. "Mr. "O" established Arrowbear Music Camp in 1942, and since then his personality and contagious enthusiasm for music has been a tremendous influence on young musicians everywhere.

EDNA OHLENDORF - No less versatile than Mr. "O" is Mrs. "O". She performs the duties of housewife, camp banker, secretary, bookkeeper, kitchen supervisor and Long Beach Shuttle Service driver. Mrs. "O" attended U.S.C. where she received her Bachelor of Music degree. During the school months, she teaches piano, keeps house and dreams of next summer's bookkeeping.

SUNDAY INSPIRATIONAL PROGRAM

In the inspirational program for Sunday, August 7th, these nine points were covered by Mr. Ohlendorf in his message to the camp--

JUST FOR TODAY I will try to live through this day only, and not tackle my whole life problem at once. I can do something for 12 hours that would appall me if I felt that I had to keep it up for a lifetime.

JUST FOR TODAY I will be happy. This assumes to be true what Abraham Lincoln said, that, "Most folks are as happy as they make up their minds to be."

JUST FOR TODAY I will try to strengthen my mind. I will study. I will learn something useful. I will not be a mental loafer. I will read something that requires effort, thought and concentration.

JUST FOR TODAY I will adjust myself to what is, and not try to adjust everything to my own desires. I will take my luck as it comes, and fit myself to it.

JUST FOR TODAY I will exercise my soul in three ways: I will do somebody a good turn and not get found out. I will do at least two things I don't want to do--just for exercise. I will not show anyone that my feelings are hurt. They may be hurt but I will not show it.

JUST FOR TODAY I will be agreeable. I will look as well as I can, dress becomingly, talk low, act courteously, criticize not one bit, not find fault with anything and not try to improve or regulate anybody except myself.

JUST FOR TODAY I will have a program. I may not follow it exactly, but I will have it. I will save myself from two pests: hurry and indecision.

JUST FOR TODAY I will have a quiet half hour by myself, and relax. During this half hour, sometime, I will try to get a better perspective of my life.

JUST FOR TODAY I will be unafraid. Especially I will not be afraid to enjoy what is beautiful, and to believe that as I give to the world, so the world will give to me.
