Arrowbear Music Camp

Twenty-fourth
Season

August 15 - August 29

We Need Music

Music has always existed. Ancient people not only made music, but developed the art. Philosophers, like Plato and Pythagorus, who lived in the fifth century B.C. considered the teaching of music to young people as being of paramount importance.

Just as music brings us together at Arrowbear Music Camp, so should the harmonizing influences of our great art some day help bring about the lasting peace the world is seeking.

Fred Ohlendorf
Camp Director

The following passage is from the book You Need Music, by
Ruth Mathews

Music is as old as the world itself.... Older, perhaps, for all about us is evidence of its presence in nature... in the rhythmical changes of the seasons; the movements of the sun, the moon, and the stars; in bird songs and the distant murmur of mountain streams; the midsummer droning of insects and the drumming of rain on city streets.

Music is indeed so gloriously woven into the very fabric of our existence, it would be difficult to imagine what life would be like without it, for it is a fundamental need-- one of the vital sources of life, health, strength, and happiness. It is as natural for us to sing and to make music as it is for us to breathe.

Since music is a part of us... it is reasonable to assume that we actually need it to fulfill our destiny; and that we may be happiest when we have attuned ourselves to its principles and availed ourselves of every opportunity to make music as well as to listen to it.

ARROWBEAR PEOPLE

Staff, counselors, and kitchen staff--these are the music-making people who made the "hills and mountains ring" for two wonderful weeks (with a little help from the campers). What do they do during the rest of the year? Here are the facts.

Staff

FRED OHLENDORF- If you should see a gentleman wearing a long-sleeved shirt and khaki pants with a wrench in one hand and a baton in the other, you have just met one of America's finest music educators. Mr. "O" came to Long Beach and founded the All-District Orchestra following his education at Northwestern University and U.S.C. In 1941, he founded the camp and has since earned many honors. He was president of the California Music Educators Association in 1954, and has been on the board of directors of the MENC. Although he is director of music of the Long Beach Unified School District, he still manages to find time to direct school bands and orchestras. His effect on the lives of young musicians cannot be expressed in words alone.

EDNA OHLENDORF- Besides being a housewife, which for some is a full time occupation, Mrs. "O" is supervisor of the kitchen, camp secretary, bookkeeper, and treasurer. During the winter Mrs. "O" teaches piano and manages a household consisting of Mr. "O", Carole, Rick, and the new "puppy" Mark. Mr. and Mrs. "O" have been married for twenty-four years and met at USC where Mrs. "O" received her Bachelor of Music Degree.

FRANCES HARDING is a native of Long Beach. She has been coming to camp for the past thirteen years where she teaches music appreciation, dispenses KP, etc.

During the school year she teaches at Stephens Junior High School in Long Beach. Adding to her skill as a Player of Records Mrs. Harding is an excellent bassoon player and piano player. Mrs. Harding's contribution to the daily life at Arrowbear is much greater than most of us realize. Thank you, "Sarge".

JOE BURGER, our assistant camp director, came to Long Beach in 1953. A graduate of Southwestern Missouri State, he immediately joined the Long Beach School System and the Arrowbear staff. A fine violinist, he plays first violin in the Long Beach Symphony. During the school year he is a traveling music teacher for the Long Beach Unified School District. In this capacity, he has directed many all-district groups including the All-District Elementary String Orchestra for host night at the MENC convention this year. One of Mr. Burger's time consuming "loves" is his 500XL with four on the floor.

AKIRA ENDO, now in his eleventh summer at Arrowbear, has known camp as a camper, counselor, and staff member. A graduate of USC, Akira also received his masters degree in music there. He is presently at Long Beach City College where he conducts the orchestra and teaches harmony. As a member of a professional string quartet, he toured New York and Chicago in 1964. The Endo family includes, Mrs. Endo (Susan), Stephanie Tamiko, and Gregory Tadashi, the latter born in May of this year.

Arrowbear People--Staff

JERRY BARTKUS, a native of Chicago, has been teaching in public schools for 14 years. His former instrumental career as a trombonist ranges from membership in the Chicago Civic Orchestra to playing with Louis Prima. He is presently at Jordan High School in Long Beach, where he has taught for 6 years. His wife Sara, who plays piano, organ, trombone, and sings lyric soprano, and two sons Rick and Ken joined him for this his first session as band director at camp.

MRS. NEWBY, our nurse, is a four year veteran at Arrowbear. No one is better qualified to treat our aches and pains. She received her nursing education at Memoiral Hospital in Pawtucket, Rhode Island. Upon moving to California, she attended UCLA and earned her B.S. degree. She then served five years as a Navy Nurse and is now a school nurse in Long Beach. Next year, during her sabbatical leave, she will go after her Masters Degree at UCLA. As far as music is concerned, she belongs at Arrowbear. In her college days she sang in the UCLA choir under Roger Wagner! Mrs. Newby's children, Lola, Janis, Elaine, Todd, and Laura, were visitors to camp earlier this summer.

CLARENCE SAWHILL, is well known at Arrowbear's High School and Reading Camps. Mr. Sawhill spends his summers visiting music camps and festivals throughout the United States. His musical travels have included two trips to Europe, three to Hawaii, several to Canada, and most recently to Japan. During his 35 years of band teaching, he has worked in mid-west public schools, at the University of Illinois, at USC for five years, and at UCLA for the past thirteen years. AMC is the finale of his summer schedule. He feels that here a valuable learning experience is provided by an atmosphere intimate in both music and character.

Here they are! Our talented staff was caught in the act at one of their secret recitals. There is Mr. O on the podium; Akira and Mr. Burger making the rosin fly; Sarge and Mr. Sawhill completing the woodwind section; Mr. Bartkus moving the slide; Mrs. O filling in the balance on piano, while Mrs. Newby gives voice with great enthusiasm. The selection? Why, it's the "Aria" from The Happy Gap by Prof. Eric Von Schmutzig, of course!!

STAFF IN CONCERT

Counselors

TRINA BATTIN, a second year counselor, is head of the girl counselors. She attends Long Beach City College, where she is a member of the choir and madrigals. Her tenor rendition of "FIVE MINUTES" is almost as musical as her singing in the camp choir.

ELLIE BEACH is counseling for her first year after two years as a camper. She was valedictorian of her class at Fillmore where she played flute in band and orchestra and was twice a member of the Ventura County Honor Orchestra. She will return to Pomona College in September as a sophomore major in international relations and member of the orchestra.

KATHY GARNER, a second year counselor, is spending her 7th summer at Arrowbear Music Camp. She hails from Westend, California, near Death Valley. Kathy is an accomplished clarinetist, sax player, pianist, and connoisseur of olive green. She will return this fall to Mount St. Mary's College, where she is studying nursing.

RON LAMB is counseling for his fourth year at Arrowbear. He has been a clarinetist for ten years. He was a member of the All-California Junior College Honor Band and played first chair in the LBCC Band and Orchestra. Ron is the blond half of the Ron-Rick wall building crew.

COLLEEN "LASSIE" MAGEE, a second year counselor, has 35 years of playing experience on sax, piano, clarinet, bassoon, and guitar. While attending Sanger Union High School, she played in the Madera-Fresno County Honor Band and Orchestra, was twice a member of the State Honor Band, and sang in the Fresno County Honor Choir. She will enter Stanford University this fall as a sophomore French major with a music minor.

MIKE MECKNA- The familiar bugler of Arrowbear. This year evens his years as a camper and counselor to four and four. Mike is a graduate of Millikan where he was a member of All-Southern, All-District, All-California, and All-Western Orchestras. He has been a guest soloist with the Long Beach Symphony. Aside from being an expert at Taps, Reveille, and To The Colors, Mike also strums a mean guitar. Next Year Mike will graduate from Cal. State Long Beach with a B.A. degree in Spanish and a music minor.

CAROLE OHLENDORF is spending her 18th summer at Arrowbear, this being her 3rd year as counselor. Her excellence as a flutist in high school earned membership in the All-District, All-Southern, All-California, and All-Western Orchestras. She has recorded with radio KPFK and is presently first flutist in the LBCC Orchestra. You can thank Carole for the good snacks at break time.

RICK OHLENDORF, a twenty-summer camp veteran and fourth year counselor is the brunette half of the Rick-Ron construction crew. He has played oboe for nine years and belonged to all the "all" orchestras --All-District,

THE WAY TO A CAMPER'S HEART IS THROUGH HIS STOMACH!!!

Presenting our wonderful kitchen staff led by Lee Smith...

LEE SMITH is perhaps the staff member who has been at Arrowbear longest; he began attending in 1950. After five years he became a counselor and remained one for six years. Lee graduated from Chapman College where he majored in music. Lee plays excellent violin and viola and teaches privately in Long Beach. Many of us will remember Lee as having the most recordable laugh at Arrowbear. Next year Lee will be an instrumental music teacher in Barstow, Calif. He has played in the Honolulu, Long Beach, and Orange County Symphonies.

AILEEN BAUMBARDNER is a third year staffer in the kitchen. Aileen, originally from North Carolina, graduated from Concordia Teacher's College in River Forest, Illinois, and is now enjoying her fourth year in California.

CAROL SPADJINSKI graduated from Teacher's College of Connecticut and now teaches first and second grade at San Diego's Grace Lutheran School. This fall she will leave on a six month European tour with Aileen. This is Carol's first year on the staff.

KAREN PAGE graduated from LBCC and the University of the Pacific, Stockton, Calif. She received the Paderewski from the National

Guild of Piano Auditions for ten years of piano work. She is a musical therapist hoping to someday work exclusively with children who may have some mental or physical handicap. This is her first year at Arrowbear.

LESLIE TIERNEY, a second year counselor, is serving as Lee's Jr. Assistant helper. She is a graduate of Lakewood High School and is presently a sophomore at LBCC. She is also a member of the Long Beach Symphony, and a good friend of Rick's. Leslie plans to major in sociology and become a probation officer.

MARK SCOTT is the junior member of the kitchen staff doing what might be termed the "messy work" around the kitchen. Mark attends Los Altos High School in Hacienda Heights where he will be a junior this Fall. When word of the new arrival to the Ohlendorf family came, Mark remarked, "Mark my words no good will come of this." Actually he didn't say that but we thought it was a rather marked remark.

THE CAMP SWIMMING POOL

Next year will be the 25th anniversary of Arrowbear Music Camp. We are proud and happy with camp life now but there is one important thing missing- a swimming pool!! It is possible to have one built by next summer, but we need your help.

This idea is not merely a dream; plans are already in progress. A pool fund is open and donations are being collected. An Arrowbear Music Camp Swimming Pool Fund has been started at Farmers and Merchants bank in Long Beach. We have just a little over 400 dollars, this would only buy the diving board.

Head of the whole fund raising affair is Lee Smith, our illustrious cook. He has been working on estimations and figures we will need over \$10,000.

Think of it - our own pool nestled in the hills - no more lengthy travel time - more swimming and relaxation!!! We can hardly wait- how about you? Mail or send donations to Lee Smith, c/o Swimming Pool Fund, Arrowbear Music Camp, Arrowbear Lake, Calif. 92308. Join the fun, pitch right in and help make that 25th season the greatest yet!

DON'T BE
CONTENT WITH
FLOATING ON LAKE ARROWBEAR;
LET'S GET BUSY AND HAVE A
POOL OF OUR OWN!!!!!!

MUSIC AT ARROWBEAR

Band and orchestra rehearsals, classes, ensembles, camp choir, music appreciation, concerts---these are the moments of the weekly routine when campers gather to make music. But this is not all there is to music at Arrowbear. Remember the jam sessions in the A-building? The spur-of-the-moment get togethers for duets and trios? The singing after meals and around the camp fire? The slumber music? What's at Arrowbear?--People, and music, music, music!

ARROWBEAR SONG

We love life at Arrowbear,
Nights are cool and days are fair,
Not a worry, not a care,
Just music, music, music.

We all dress in shorts and jeans,
Feed ourselves on ham and beans,
Happiest days in all our teens,
With music, music, music.

Hours, we play for hours,
And then we make the hills and mountains ring;
They fairly tremble when we sing.

Arrowbear's the place to be,
Full of fun and harmony;
Even when we have KP
It's music, music, music.

Make a joyful noise unto the Lord, all the earth:
make a loud noise and rejoice and sing praise.

Sing unto the Lord with the harp;
with the harp and the voice of a psalm.

With trumpets and sound of cornet make a
joyful noise before the Lord, the King.

Let the sea roar, and the fulness thereof;
the world, and they that dwell therein

Lions Club Night

Thursday, August 26, was a day of special activity, for Arrowbear was again privileged to host the Running Springs Lions Club, their lionesses, and guests. For the evening hours the camp roared with the encounters of Lions and 'Bearites.

The band was featured first in concert under the direction of Mr. Sawhill and Mr. Bartkus while the audience looked on from all sides. Akira led the orchestra in a short performance, ending with a most appropriate number, "Circus." The ravenous mountain dwellers were then fed tantalizing roast beef by efficient camp servers chosen for their beauty and co-ordination, while dinner music was provided by string, instrumental, and vocal groups. Climaxing the meal, "Variation on a Kitchen Sink" was performed by the noted Kitchen Symphony under the direction of Chef Maestro Sawhill. Upon the delicate backdrop of "conventional" harmonies, the kitchen percussion section beat out haunting rhythms into the mountain night upon kettles, lids, pots, and pans with such assorted instruments as bass drum beaters, egg beaters, and spoons. Plink, plank, plunk! Two vocal selections by the all-camp choir sent the Lions out for a break before the final program of instrumental pieces from previous musicales.

Goodnight Lions!....

Goodnight 'Bears'!....

Thanks to the people who went
"here, there, and everywhere"
to compose and produce *THE*
NOTE. Special mention for
Carole, Chris, and their
machines.

Good-bye from your editor, Ellie Beach.
May the joy of melody, the depth of har-
mony, and the peace of silence be yours.

Always,

E

under the sky,

Music alone shall live,

Never to die.
