ARROWBEAR MUSIC CAMP

28th YEAR

July 31 to August 10, 1969

== == == == == == == == == == == == == == == == ==

Twenty eight summers of music camp may seem like a long time; yet to me it seems but yesterday that a group of teenagers spent a week in the beautiful surroundings of Arrowbear Music Camp. Since then, thousands of musical campers have made beautiful music in God's great outdoors.

Besides hearing so much beautiful music being performed, Arrowbear Music Camp has also attracted such wonderful young people. Nowhere can one find so many truly remarkable musical talents as at Arrowbear. No wonder we sing "We Love Life at Arrowbear".

Youth is the time do make beautiful friendships. May the 1969 season be one of rich endearing experiences and may you continue to grow in your enjoyment and understanding of music.

Fred Ohlendorf

About Arrowbear

A melody of friendship woven into close
harmony on notes of love and dreams.

A Nocturne of soft sounds

A Capriccio of gaiety

A Chorus of youth proclaiming deep
love of music

An overture to a more meaningful life.

— Lorrie
Langevin

music washes away from the soul the
dust of everyday life.

MUSIC ALONE SHALL LIVE !

What makes a clock tick? Perhaps it's the same thing that makes Arrowbear run - a great directing staff. And here they are:

MR. FRED OHLENDORF: The man to whom all owe the opportunity to come to Arrowbear is none other than our captivating camp director, Mr. Fred Ohlendorf. Mr. O, as he is affectionately called by all campers, is responsible for fostering in millions of young people the desire to excel in the field of music. He was educated at Northwestern University and USC, and is currently holding the position of Consultant of Fine Arts for the Long Beach Unified School District. Mr. O is responsible for organizing and directing the All-District Junior and Senior High School Orchestras in Long Beach each year, a job which he always assumes with dedication and love. Mr. O's humanitarian efforts and his musical efforts have been recognized nation-wide, as he is listed in Who's Who in the West. Along musical lines (of the staff, of course) he has served as President of CMEA and on the Board of Directors of MENC. Mr. O is one person whom everyone always remembers as being dedicated and truly interested in young people. His spirit and humor on the podium have convinced countless campers what Mr. O and Arrowbear have always stood for - Love of Music can add so much to life.

MRS. EDNA OHLENDORF: Standing beside Mr. O through thick and thin, major and minor, flat and sharp, and all the rest of the time, too, is his devoted wife, Mrs. Edna Ohlendorf. Besides assuming all of the book-keeping and clerical duties that keep Arrowbear running smoothly, Mrs. O is also the responsible mother of the 130 odd campers that invade Arrowbear each session. During the winter months she gives piano lessons, takes care of the secretarial work for the coming summer, and keeps her family in line. Mr. and Mrs. O met at USC, where both majored in music. Mrs. O holds membership in Mu Phi Epsilon, Professional Music Sorority, the Music Teachers' Association of California, and is listed in Who's Who of American Women. The charm and cheerfulness of Mrs. O is always amazing to those of us who know how much she has to do, but it is so nice to have someone like Mrs. O around who epitomizes the qualities of unselfishness and devotion.

Mrs. FRANCES HARDING: Returning to Arrowbear once again, to the delight of many is Mrs. Frances Harding, our Assistant Camp Director, affectionately known as "Sarge". Any amount of research into the reason for this title would undoubtedly lead to the discovery that she is responsible for inspecting the Girls Dorm and distributing KP duty to those fortunate enough to earn the "honor". During the school year, Mrs. Harding teaches at Stephens Junior High School in Long Beach where she is 60% counselor and 40% teacher. Her musical talents range from playing Bassoon, Music Appreciation records, Grunion Hunting, and, of course, enthusiastically directing choral groups.

MR. PHILIP L. ELLITHORPE: With excellent and challanging selections for the All-Camp Choir and Madrigals, Mr. Ellithorpe is completing his 18th year with the Arrowbear Choral Session. Mr. "E" has studied at North Dakota Teachers College, USC, and CSCLB. He holds two Masters Degrees, in Music and Music Education. Mr. Ellithorpe is the Music Department chairman at Wilson High School in Long Beach. After a hard day of making beautiful music, Mr. Ellithorpe eats Mr. Cook's pretzels or relaxes at the camp pool, ruminating over the plans for his new ranch home, and dreaming of his beautiful Irish setter, Sean, who has won 23 trophies.

MISS CAROL ULVILDEN: Accompanying everything from A to Z is the job of lovely Miss Carol Ulvilden. Aside from an exciting summer career at Arrowbear, Miss Ulvilden is the chairman of the Music Department at Rancho Alamitos High School, where she directs five very fine choral groups. She has attended Minot State Teachers College in Minot, North Dakota, graduated from Luther College in Decorah, Iowa, did post-graduate work at California State Colleges in Fullerton and Long Beach, and also attended the University of Oslo in Norway. Besides accompanying, Miss Ulvilden directs the Advanced Girls Ensemble here at Arrowbear. She has three favorite pastimes: her three dogs, Pepper, Tiki, and Si Si Bon, who (we hear) are her constant companions.

MR. KENNETH COOK: Montebello High School's fine music director, Mr. Kenneth Cook, is in his fourth year as an instructor here at Arrowbear. Mr. Cook received his Bachelor and Masters degrees at Hamlin University in St. Paul. He did graduate work at Whittier College, Occidental College, USC, UCLA, and Marymount College. Few people appreciate the scope of Mr. Cook's talents - not only was he a pilot in the Marine Corps, but he was once a supermarket owner, in San Clemente (a spectacular achievement!). Mr. Cook has served Montebello Hi for 17 years as director, and has had the great honor of serving as Executive Vice-President of the Southern California Vocal Association for 5 years. In his spare time here at camp, he likes to swim, play ping pong, and buy pretzels (they keep disappearing!)

MR DENNIS DOCKSTADER: Teaching theory classes, fixing everything everything there is to fix, building a room, with Rick, onto the Boys Dorm, and playing harpsichord and percussion are but a few of the accomplishments of one of Arrowbear's hardest workers, Mr. Dennis Dockstader. Having been married to a former Ohlendorf for 3½ years, Dennis has become a permanent part of camp. He and Carole spent the winter (one of the most severe ever) at Arrowbear, living in the O house. Dennis is a music major at California State College at San Bernardino and plays percussion, piano, and harpsichord. He played in the University of Redlands Orchestra and the San Bernardino Symphony along with his charming wife. This session Dennis performed in a concert with the Redlands Bowl Orchestra for their summer Concert Series. Arrowbear's handiest man with music in hand is Dennis Dockstader.

JAY KOHORN: After spending five years as a camper and four years as a counselor, Jay Kohorn is a welcome complement to the staff. This musical marvel is a 5th year UCLA music major, specializing in the coaching and conducting of opera. He is a graduate of Millikan High School in Long Beach where he maintained a 4.0 grade point average, and accorded Valedictorian status. From there he received a Regent's scholarship to

UCLA. Last summer Jay was a member of the faculty of the Music Academy of the West at UC Santa Barbara. Eventually he hopes to study conducting in Europe. In spite of all these accomplishments and aspirations, Jay is a very warm and personable guy. His interests range from politics and language to girl-watching at the pool. He not only accompanies for just about everything and everyone under the sun but campers also find in him the empathy and understanding of a true friend.

KAREN ANDERSON: Gracing the walks of Arrowbear for her first time is our swinging nurse, Karen Anderson. This session's "medical marvel" received her Bachelor of Science in Nursing at Illinois Wesleyan University in Bloomington, Illinois, and has served as a psychiatric nurse in Chicago. Immediately after the end of Choral Session, she intends to begin work in the Children's Psychiatric Clinic of the Los Angeles County-USC Medical Center. Besides her marvelous ability to cope with all sorts of aches, pains, and troubles, Karen's musical abilities do credit to Arrowbear by themselves. She sings (of course), and plays piano and percussion (well, ring my chimes!). After graduating from high school, she toured Europe with the "Talented Teens", sponsored by the Coca Cola Company. Besides her musical pastimes, she enjoys tennis, swimming, and ice skating. Nurse Anderson has become a part of Arrowbear performing countless duties untiringly with her characteristic charm and finesse.

SANTA'S VILLAGE

On Thursday afternoon campers were transported to California's own North Pole, Santa's Village. Those that attended not only had the privilege of meeting Santa and his elves but also enjoyed a traditional Arrowbear song fest led by Pat Rees and Steve Morgan. Singing the usual Arrowbear songs, the campers performed to an appreciative audience (especially Santa). Everyone ate, drank, and was merry.

CAMP MOTTO

Now presenting The gorgeous group of Gourmet Cooks, the Kitchen Staff;

RICK OHLENDORF: Arrowbear's Chief Cook and Gourmet specialist is another in the clan that has become known to millions as the First Family of Music, the Ohlendorfs. It's Rick whom we all have to thank for the fabulous fare we devour each meal. Rick attends California State College at Long Beach, where he is a music major. Last spring Rick gave his Senior Recital proving beyond a shadow of a doubt his fantastic and amazing ability on oboe. Rick has spent the majority of his life during the summer at Arrowbear. He is an absolute whiz with mechanical things, and has had much to do with the way Arrowbear keeps running so smoothly. We all realize how lucky we are to be cooked for by Rick and company. During the concert season Rick plays English Horn with the Long Beach Symphony.

CAROLE (OHLENDORF) DOCKSTADER: The Mona Lisa of the kitchen is Mrs. Carole Dockstader. A former Ohlendorf, Carole has spent 22 summers at Arrowbear; first as an infant, then a child, then a camper, then a counselor, and now as a cook. Carole is multi-talented as anyone can tell at a glance. She is a graduate of Lakewood High School and attended Long Beach City College before earning her MRS degree. She plays flute with delicacy and sweetness, which describes her personality perfectly. She has tooted said flute in the University of Redlands Orchestra and the San Bernardino Symphony. Carole seems to add a ray of sunshine to the Arrowbear kitchen in the early mornings.

MIKE MECKNA: To look at Mike Meckna in the kitchen you'd think it was the happiest place on earth; and you just might be right! Mike has the distinct quality found so rarely, but so greatly needed in the world - a love of life and people. His culinary skills are above great - they're groovy! He hasn't always been a cook, however. He spent four years as a camper and four as a counselor. His virtuoso trumpet playing has graced many lucky orchestras and various other groups. He received his early education at Millikan High School and Cal State at Long Beach. He has continued study with stints at La Universidad Ibero Americana in Mexico City, and more recently at Boston University on a fellowship. Happiness is a guy named Mike Meckna!

MISS "IN KEY" OELSCHLAEGER: In Key Oelschlaeger is Arrowbear's lady of mystery. Though she seems to be quiet, she has a fortune in stories to tell. In Key has visited every continent but South America. Last summer she visited Mexico and the site of the summer Olympics. She is a graduate of Seward Lutheran College and a former principal of a Lutheran School in Nigeria. During the year, In Key teaches fifth grade at the Good Shepherd Lutheran School in Inglewood.

A new innovation this year - presenting the Prune-Handed Junior Kitchen Staff:

JOHN RABOLD: A friendly smile and vibrant personality are good descriptions of John Rabold, a wonderful guy who is serving as head man of the Junior Kitchen Staff. John plays the tuba like most people wish they could play trombone. Next year he plays in Symphonic Band, Orchestra, and Straw Hat Band. Astronomy is one of John's first loves, and he brought along his telescope to get the most out of the famous skies of

Arrowbear. In Long Beach he is President of Quasars, an astronomy club for teenagers. Besides typical Junior Kitchen Staff duties, such as running the snack bar and filling the coke machine, John is also serving as assistant editor of THE NOTE (and doing a fantastic job).

ERIC BRENTON: Assisting John as cleaner-upper extraordinaire is Eric Brenton. Eric will attend Trident Junior High School in Anaheim as a ninth grader in the fall. A third year Arrowbearite, he demonstrated his many talents during the third junior high session as concertmaster. Besides violin, Eric also plays flute and guitar, and has performed during this session on the latter instrument, playing slumber music and accompanying Sarge and counselors to the Hollywood Boys Club for a performance there. Eric's talents are also acknowledged "down the hill", as he performed with the Chapman Symphony in Orange as a violinist. During spare moments, he enjoys surfing and (here at camp) "messing around with I. I." Beneath the fun-loving exterior, Eric shows a wisdom and understanding far beyond his years.

JIM FRASER: The third "permanent junior kitchen slave" is the never-to-be-forgotten James Fraser. Jim will attend Jefferson Junior High School in Long Beach as an eighth grader next month, where he plays a wicked oboe. Here at Arrowbear, Jim has spent his second year as a junior high camper; he has lent a helping hand at both the second and third sessions this summer. It is also interesting to note that Jim is a second generation Arrowbearite. A welcome addition to the "K.S.Jrs.", Jim can often be seen washing tables or serving birthday cakes with Eric.

THE ARROWBEAR SONG

We love life at Arrowbear, Nights are cool and days are fair,
Not a worry, not a care. Just Music, Music, Music,

We all dress in shorts and jeans, Feed ourselves on ham and beans;
Happiest days in all our teens with Music, Music, Music.

Hours, we play for hours. And then we make the hills and
mountains ring. They fairly tremble when we sing.

Arrowbear's the place to be, Full of Fun and Harmony.
Even when we have K P, It's Music, Music, Music.

WHAT IS ARROWBEAR MUSIC CAMP?

You are sitting in your English class. It is September and school days are here again. Your teacher has just passed back your first theme of the year which is appropriately titled, "How I Spent My Summer Vacation". She looks you right in the eye, and exclaims, "Why don't you tell everyone what Arrowbear Music Camp is?" You stammer a bit, turn bright red, struggle to your feet, and ponder a moment. What can you say? How can you possibly tell someone all that Arrowbear is? You make a valiant attempt, however, and the result may be something like this.

Arrowbear is a place where love of music fills the days, permeating the very air you breathe. It is people; people who are drawn together by a common desire - to make music.

Capable Counselors Keep Campers Comfortable and Carefree.....

JANE FRANKLIN: Spending her first year as a counselor after four as a camper is the very bubbly and perpetually enthusiastic Jane Franklin. She graduated in June from Pacifica High School in Garden Grove where she sang in Concert Choir for 3 years (and was President last year), and in Madrigals for 1 year. Jane showed her school spirit by serving as her school mascot last year. She has recently developed an avid interest in drama, and she had a taste of it when she had a leading role in her school production of "The Fantastics". Next year Jane will be attending Orange Coast College where she will major in Education and minor in Music. Jane's pixy smile and beautiful blue eyes, not to mention her charming personality, make her a welcome addition to our counseling staff.

KATHY LYNN: Kathy Lynn is also a first year counselor and former four year camper. In fact, she and Jane developed their beautiful friendship here at Arrowbear. Kathy graduated from Polytechnic High School in Riverside where she was a member of Choir and Madrigals. Her beautiful voice earned her the semi-finalist status in the Southern California Vocal Association solo festival this year. Kathy enjoys reading, and she even plays the piano occasionally. Next year she will be attending Occidental College where she will be majoring Vocal Music. It certainly adds zing to any get-together to have Kathy Lynn there to tell a joke or sit and smile prettily.

FIFI SHERMAN: Another first year counselor is Fifi Sherman. Fifi has been a camper for two years before accepting this very noble position. She graduated from Loara High School in Anaheim where she sang in Madrigals and accompanied the Boys Glee Club. Her hobbies are music and dramatics, and at one time she was a performing member of the Young Americans. She has accompanied the Buena Park Civic Light Opera and the Tustin Playhouse productions. Next year she will be attending California State College at Fullerton and will major in either Music or Psychology. She will also spend some time on a tour of the United States with an octet from her church. Demure and talented Fifi's fingers seem to find piano keys and make them sing quite easily.

PAT GAYLORD: Swinging a mean tambourine at the after-meal sings is pretty Pat Gaylord. Pat is also a first year counselor, though she counseled for the first three junior high instrumental camps also. Pat graduated from Poly High School in Long Beach, and has completed one year of study for the Nursery (as in nurses, R.N.) at Long Beach City College. At LBCC she is a member of Choir, which she just loves. Here at Arrowbear, Pat does just about anything that needs doing - from pot drying to typing to tambourine swinging to life saving. Her bubbling enthusiasm for music and life have made her a happy habit for us all.

NORA HOLLAR: A third year counselor (after being a four-year camper), we welcome back our Rancho Alamitos High School graduate of 1966. Our "Miss Arrowbear" will attend Cal State at Fullerton in the fall, majoring in music. Nora intends to teach elementary school, with hopes of eventually teaching music on the secondary level. She's been in innumerable singing groups from sea to shining sea, and even directs a youth choir at her church. Without Nora's beautiful, clear, soprano voice and fast-draw page-turning hand. Arrowbear would never be the same.

PAT REES: Back for her 2nd year of Khoral Kamp Kounseling is blonde beauty, Pat Rees. A graduate of Riverside Polytechnic High School, Pat's musical accomplishments are many, varied, and extremely enviable. Besides many vocal activities here at camp (including the after-meals song fests), her beautiful soprano voice is well-known far and wide. She was a soloist for her school concert choir and sang in Madrigals for two years. Recently, Pat played the part of Sophia in the Riverside Community Players production of Tom Jones, and played the leading role in the Pajama Game, produced by Riverside City College. In April she performed Gian Carlo Menotti's chorus opera, "The Unicorn, the Gorgon, and the Manticore" with the Hidden Valley Music Seminar for the Music Educators National Convention in Honolulu, Hawaii (it may not look so good on paper, but you should hear her say it). Pat's serene, sensible, but fun-loving personality make her a natural for Arrowbear.

LINDA HOLBROOK: Counseling for her first year after spending two summers as a camper is comely Miss Linda Holbrook. She graduated from Chino High School where she was homecoming queen and selected as most valuable senior in music. Linda has performed in the Southern California Honor Choir, and has received an award from the Southern California Music Teachers Association for her outstanding creativity in the field of fine arts. After spending one year at Chaffee College studying choral music, Linda plans to continue her studies in the fall at CSCLB with hopes of eventually teaching music on the elementary level. Her captivating combination of lovely appearance and understanding personality make her a wonderful Arrowbear experience.

LORRIE LANGEVIN: Counseling for her first year after spending six years as a camper is Lorrie Langevin. This pert and attractive girl recently graduated from Millikan High School in Long Beach where she served as Assistant Head Kidette and Student Body Secretary. As a member of the 'cello section at Millikan, Lorrie also was selected to play in the All-City, All-Southern, and All-California Orchestras. She hopes to attend LBCC with plans of eventually teaching third grade. She cheerfully volunteers for any task, from helping in the kitchen to banking and editing the camp paper. Her contagious enthusiasm for life at Arrowbear is exhibited in her bubbling laughter and in her love of music. In spite of her recent accident, we hope and pray that Lorrie will rise and conquer all difficulties - a characteristic of hers which she has demonstrated again and again.

RICK HAMBRIC: Smiling behind silver-rimmed glasses is the quiet and congenial Rick Hambric. Although he may be speaking in any of six different languages, the message of his smile always comes across. After graduating from W. E. Boswell High School in Fort Worth, Texas, he spent his first year of college at CSCLB and continued last year at Oregon State University. He is now attending UCLA, majoring in Spanish and Bacteriology. The pure tones of his tenor voice have graced The CSCLB A Capella Choir and the Madrigals at OSU. In his spare time, circumstances permitting, Rick enjoys speed skating. However, he keeps in condition by transporting gigantic language dictionaries from his car to the Boys Dorm. Heave-Ho!

DAVID RAIN: Beneath the golden blond locks and smiling blue eyes of David Rain lies a deep love of music and of Arrowbear. David is spending his second summer here as a counselor after several years as a camper. David is a graduate of Jordan High School in Long Beach, and has just completed his first year at Long Beach City College as a music major. At LBCC he played trombone in marching band, baritone in Symphonic Band and brass ensemble, and trombone in the award-winning Vikcount Stage Band and Neophonic Stage Band. Aside from his musical talents, Dave is noted for his balancing abilities (he can balance a string bass on his nose). Thanks to his happy outlook on life, we feel sure that Dave will recover quickly from his recent mishap, and campers will probably see his strawberry blond side-burns around Arrowbear next summer.

GEORGE KEYS: One of our distinguished male counselors, George Keys, is spending his first summer as a counselor after two years as a camper. George graduated recently from Mark Keppel High School in Alhambra where his vast musical talents were developed to their present quality. George played baritone, alto and tenor saxophones, was drum major in the the marching band, won the John Philip Sousa award for the outstanding senior musician, and sang in the Chamber Choir. Here at Arrowbear, another of George's natural talents has been brought out. He is most assuredly one of the finest color-blind glasses stacker that ever wielded a coffee cup!

KIRK STEPHENSON: Another first year counselor is Kirk Stephenson. Kirk spent the two weeks preceding choral session at Arrowbear as a counselor during the Junior High instrumental session. He attended Huntington Beach High School, and is recognized as a fine singer. He has sung in Choral groups since the fourth grade, and was recently a performing member of the popular young singing group, The Young Americans. Before his recent accident, Kirk served as a pool lifeguard and lent his magnificent baritone voice at flag-raising every morning. We all wish him a speedy and complete recovery.

STEVE MORGAN: Spending his first year at Arrowbear as a counselor, Steve Morgan is accorded the task of subduing the boys in the trolley. Steve graduated from Chino High School this June, and plans to attend the University of Redlands in the fall, hoping to major in music. At Chino High School he sang bass in concert choir for three years and played the trombone and string bass in the band. He was honored with a position in the Southern California Vocal Association Honor Choir for two years. Steve says of his spare time: "I make as much music as I can". However, when not accompanying himself on the piano or guitar, he may be seen accumulating a tan at the pool as lifeguard.

SWIMMERS AND SUNBATHERS FLOCK TO AZURE WATERS OF POOL

Once again campers have enjoyed the cooling, caressing waters of the Arrowbear Pool on the sunny warm afternoons of this session. Watching over the happy campers have been Sarge, Jay Kohorn, and a host of tanning counselors. Everyone was reminded by the convenience of the pool how much we owe to those who contributed to the fund to make it possible.

BAROQUE CHAMBER CONCERT THRILLS AWED CAMPERS

On Wednesday evening, August 6, the flickering light of candles filled the Dining Hall. The occasion was the Baroque Chamber Concert presented by Dennis Dockstader, Mike Meckna, Rick Ohlendorf, and Ann Tyn-dall. The harpsichord loaned to camp by San Bernardino State College was placed in the center of the room, giving a theatre in the round effect.

Dennis opened the program with an introduction to the Baroque period., and then played Pavana and Guillard by Bull on the harpsichord. After that came an Aria by Logy played by Mike on the classic guitar. A threepart Invention by Bach was then played by Dennis on the harpsichord. Rick, Ann, and Dennis, playing oboe, 'cello, and harpsichord, respectively, closed the delightful program by playing Sonata in c minor for oboe and continuo. It was indeed a rare treat to hear such fine music of a bygone era performed in such beautiful surroundings and for such an interested audience.

VOCAL ARTS ENSEMBLE PERFORMS TO EAGER YOUNG AUDIENCE

On Sunday, August 3, the Vocal Arts Ensemble presented a superb concert for campers and visitors. This dedicated group of vocalists, most of whom are music teachers in the Long Beach area and Orange County, perform solely because of their love for music. They have presented countless concerts all over Southern California. The Vocal Arts Ensemble is expertly directed by Mr. Frank Allen, a well-known vocalist in his own right. Two years ago, he toured with the Roger Wagner Chorale in the Near East, and is presently directing the choral groups at Stanford Junior High School in Long Beach and the Collegiate Choir at Long Beach City College. The concert was received by a superb audience. Several members of the Ensemble said that they were greatly inspired and that they were privileged to be performing for such a fine audience.

CONCERT AT MONTE CORONA

On Friday evening, the 1969 Arrowbear Choirs demonstrated their talents to an enthusiastic audience at Monte Corona in Twin Peaks. The groups performed the selections listed elsewhere in this issue, directed by Mr. Ellithorpe, Miss Ulvilden, Mr. Cook, Mrs. Harding, and Jay Kohorn. It is always so rewarding to perform out-of-camp concerts to people who have not lived with music as we have. The experience serves to remind us how fortunate we are to be at Arrowbear.

BEST CAMPERS CHOSEN TO DEVOUR DINNER AT LLOYD'S

As has become tradition at Arrowbear, during each Choral Session one boy and one girl are chosen by the counselors and staff to be eligible to have their names drawn to enjoy a free dinner at Lloyd's Restaurant in Running Springs as appreciation for being excellent campers. The two campers chosen during this session are:

CARLA FILLHOUSER: Representing the ideal Arrowbearite for the females was talented Carla Fillhouser. Carla graduated from Rancho Alamitos High School in 1968, has attended Golden West College for one year, and intends to continue her education next year at Cal State Fullerton, as a sociology major. At Rancho Alamitos she performed with Concert Choir, Girls Ensemble, and A Capella Choir. A third year camper, Carla enjoys singing in Madrigals and playing ping pong, and likes Cabin 2 Porch people because "They're sneaky and lots of fun". In her spare time, Carla likes dancing (Tahitian and modern), judo, and cooking. She was utterly surprised about being chosen best girl camper, and added, "The dinner was fabulous!"

GREG FRASER: Representing Arrowbear more than adequately at Lloyd's was Greg Fraser. Greg Graduated from Hawthorne High School last June and plans to attend El Camino College in the fall as an English major. Perhaps even more noteworthy and of interest to campers is the manner in which Greg was introduced to music. During his junior year in High School, Greg often did his homework at 7 a.m. in the music building, before the school day began. He heard the Madrigals rehearse and was soon joining. He borrowed a white jacket and sang at the performances. He finally got around to signing up for the class, and was such a wonderful success that he was awarded a scholarship to Arrowbear last year. He liked it so much that he returned this year to become one of the happiest campers We've seen.

SEE
YOU
THEN!

Sr. High NOVEMBER 8th - 9th

It is with mixed feelings that I close this edition of the Note. I cannot begin to express my appreciation to Mrs. Ohlendorf, who typed this paper and patiently coached me for its compilation; to John Rabold who did most of the work and continually boosted my spirits; to the counselors for their helpfulness, and to my girls in the dorm, without whose cooperation I would not have had time to work on this edition.

But most of all, we owe our appreciation to Lorrie Langevin, to whom this paper is dedicated. Lorrie treasured the experience of counseling, relished working in the kitchen, and served as a kind of personification of the Arrowbear spirit. But, her favorite job, as she mentioned to me many times is editing this paper. She is in effect, the motivating force behind the Note—she has edited every camp Note this summer. And, I realized in assembling the paper, that she has edited this one also.

Her influence upon this issue of the Note can best be summed up in this way:

The words are ours,
but
the thoughts are Lorrie's.
