MUSIC EDUCATOR BEGINS 2nd QUARTER CENTURY OF CAMP

MR. O DISCOVERS FOUNT OF YOUTH

At a recent interview, here in the San Bernardino Mts., Mr. Fred Ohlendorf aptly demonstrated his methods of keeping fit and happy. This surprising figure of a man, listed in Who's Who of the West, has surrounded himself with music, laughter, and, most important, youth. Ever since his education at Northwestern University and USC., he has devoted his energies to teaching the young people of So. Calif. the joys of music. He is Supervisor of Music in the Long Beach Unified School System and Director of the All City Orchestras. He has served as President of the CMEA and on the Board of Directors of MENC. This past year, he organized the Arrowbear Honor Orchestra and conducted its performance in Las Vegas. Last summer he witnessed the celebration of the 25th anniversary of his music, and from all outward signs, he appears to be well-launched toward the 50th year fete.

MRS. O. MISPLACED, CAMP IN UPROAR

After a brief panic Tues. nite, Mrs. O was discovered to have taken an excursion to L.B. The uproar was well-founded, however. What would the camp ever do without its treasurer, secretary, bookkeeper, and mother? Edna Ohlendorf started her training for this hectic schedule unconsciously at USC where she majored in music (Piano). She is a member of MTAC and Mu Phi Epsilon (yay sis!). Mrs O's great-lady assets were recently recognized in Who's Who of American Women. Aside from being lovable, Mother Ohlendorf is the biggest tease in camp!

FANS THRILL IN MR. BURGER'S AUTO

Joe Burger, assistant camp director, recently conducted another successful series of tours in his red convertible, here at lovely Arrowbear Lake. Mr. Burger came to Long Beach in 1953 after graduating from Southwest Missouri State College. He has long been associated with the LB School System and the Arrowbear Staff. This past year, Mr. Burger conducted the LB All City Elementary Orchestra and he also holds a first violin position in the LB Symphony. Mr. Burger keeps svelte and trim by frequent jaunts to the ice rink and chicken-fighting in the pool.

JOHNSON DESERTS SHIP MID-MOUNTAIN

Mr. Roger Johnson left us recently for West Texas State University Summer Session. Contrary to popular opinion, Mr. Johnson did not leave willingly. Late-prowling counselors saw him being dragged away by Texas Spies Wednesday nite and they tell of the sobs that rang out over Happy Gap. Mr. Johnson ably conducted the band here at AMC last week. He received his Bachelor and Masters degrees from LBSC and is presently instructor at DeMille Jr. High in Long Beach. Roger was a bright spot in our summer days and we'll all miss his exuberance in the band bowl and pool. Cheers!!

JANE LOSCHEN PUTS IN
GUEST APPEARANCE AT AMC

That talented, much talked about professional tootist, Mrs. Loschen, is being gracious enough to supervise, instruct, and bunk-grade here the summer. She comes from the Univ. of Illinois and USC, where she was affiliated with SAI (tsk). Mrs. Loschen taught for ten years in public schools and was 3 years on the staff at "another" music camp at Interlochen before retiring to private flute-teaching and wifing-it for her Accounting Prof. at USC. When asked for a statement, Mrs. Loschen happily chirped, "I really enjoy working here at Idyllwild!"??

MRS ELLIS FAVORS I-

Interrupted in the midst of home-making guidance here recently, Mrs. Martha Ellis gave us her life's path to the music-studded hills at Arrowbear. Educated at LBSC (SAI?), Mrs. Ellis then taught at Hosler Jr. High in Lynwood. She has fluted with the Pasadena, Long Beach, and Orange County Symphonies. Unfortunately for us, but happily for a lonesome husband, Mrs. Ellis will move to Oakland to teach next year.

PUG VANISHES IN THE NIGHT

Our beloved camp mascot, Miss Pug, disappeared Wednesday. It is assumed she was on the trail of her master, the kidnapped Roger Johnson. Keep a look-out for a squashed looking pup with an un-curled tail and tears in her eyes.

MRS DAVIDSON DISPROVES APPLE-A-DAY
THEORY

Nurse Davidson is here as a second session healer of wounds and insect chompings. This agile sprinter-down-to-the-dorm-er received her education at LBSC, has school nursed in LB for seven years and is the Grandmother of almost two Children. During the year, Nurse Davidson is with Jefferson Jr. Hi. Presently, she poses at the pool-side, between patients, and awaits her week-end visiting hubby.

CHRIS UN-TOPPENS EXTREMITY

Bored from lack of attention last week, Chris Toppen, our ever-ready Staff Ass't, took drastic measures and nudged his finger with a hack-saw. Carole kiss-it-make-it-better- and Chris is now happily back at work. Early in August, Chris will leave us and interrupt his Cal State education to enter the Air Force. Just keep practicing the viola, baby!!

LOCAL NEWS

RICK FIXES HAIRY POTATO SALAD

Rick Ohlendorf, celebrated chef in the AMC kitchen, is also the possessor of a creative nature. He recently recommenced practicing the oboe, and has begun laboriously plunking the ivories. He is interested in photography and last year, in industrial drawing, Rick designed and made up all the covers for the camp paper. A beautiful job - clap, clap!! Rick will graduate from LBSC in 3 semesters with a Music Major. His only unusual habit is attacking the mail every morning, looking for something from somebody he "doesn't care about"?

EWING FAVORS HOT DOGS AND POP CORN

New in the kitchen this summer is Al "Banana" Ewing. He condescended to aid Rick in the food preparation at AMC. Al mosied up from Emory, Georgia, to settle in Long Beach where he'll soon graduate from LBSC. His major is material engineering and his minor is music (he plays the C scale on the piano). For leisure, Al enjoys breaking boards and watching diets. When asked for a statement, Mr. Ewing just said, "They'll eat it".

LINCOLN MAKES MEDICAL HISTORY IN ANTISEPTIC KITCHEN

With a scalpel in one hand and spoon in the other, Miss Carole Lincoln faces each day as Arrowbear's only nursing-cook. Carole will graduate next year from Cal. State LA and is currently student nursing at Cedars of Lebanon Hospital. In her "spare time" Miss Lincoln fiddles around on the violin. Aside from changing her last name, Carole's biggest goal in life is to return to AMC as camp nurse. She'll soon be able to run the place single-handed, having been -3-

counselor 3 years before cook. Carole excels in birthday "celebrations" and Yahtzee playing.

PICTURE TUBE BREAKS, NAN CRIES

Miss Nancy Louise Daugherty, kitchen visitor and dish washer, recently split eardrums with resounding yelps of joy. She received her acceptance to UCLA, much to the relief of her family. Nan graduated from Wilson High last year. She plays 'cello, French horn, glockenspiel, piano, and sings slightly. She was a member of almost every musical activity at Wilson and all the Honor Orchestras she could fit into her busy schedule. In her copious spare time Nancy swims, spits pool water, bakes banana delicacies, and craves attention.

LADENE STARS IN "FAMILY AFFAIR"

LaDene Otsuki, gorgeous gal of the guitar and garbage, not only swings a mean dish rag, but holds a 4.0 at Poly High. She will be a flag girl and Senior Class Treasurer next year. LaDene is an accomplished pianist, virtuoso guitarist, and master of the 'cello and viola, among other things. She is certainly a bright spot here at AMC, particularly at lunch?

"WET PLATE" MOTT DRIES UP

Submerged in kitchen work, we find Richard Mott, versatile musician as well as handy-dandy-dish-flipper. Rich plays 'cello, tuba, string bass, baritone, and other unmentionable non-classical instruments. During his recent engagement at Millikan High in Long Beach, Rich was heard in many bands and orchestras throughout California. In September, "Wet-Plate" begins a two-year run at LBCC with a music major.

SOCIETY SECTION

B. WALTON TO HEAD

World traveler and sophisticate, Bob (Spooks) Walton, arrived this month for an extended vacation. Due to his outstanding personal qualities and intensive training at LBCC, Mr. Walton was asked to accept the honorary position of Head Counselor. He is now enjoying a leisurely stay in the luxurious Trolley. In September, Bob will journey to Santa Cruz where he'll major in English and food. Mr. Walton is an excellent trombonist. He also likes garlic bread and flat things, including root beer.

CURTIS JOINS USC RANKS

Not meaning to cast a note of prejudice upon this illustrious journal, the editors would like to announce that Miss Linda Curtis, first year counselor, will soon embark upon her next phase of musical education at the University of Southern California. Miss Curtis graduated with honors from Millikan High in LB and was awarded an Orchestra Grant to continue her studies on violin and flute. When she's not involved in one orchestra or another, Linda spends her time being generally helpful.

"BLUE-EYES" GRAHAM FIGHTS OFF SCREAMING FANS

10,000 wailing girls met that Romeo of the Trumpet, Earle Graham, here last week. Earle slipped into camp Arrowbear and is now posing as a counselor to get a few weeks of rest. He hails from Loara High in Anaheim and recently signed a two year contract to Fullerton JC. As a member of his band, The Individuals, Earle shows promise of continued success until he makes the switch to studio musician or teacher. Exciting life? Uh-huh-uh!

HANSEN CELEBRATES "B" DAY

To a rousing chorus of "Happy Birthday" at 12:18 a.m. the other night, Lars Hansen rang up another year and became eligible for the draft. This busy counselor plays string bass, piano, French horn, and has performed in about every orchestra available to talented youth in So. Calif. Next year, Lars will music-education major at LBCC and continue to attend performances of the L. B. Civic Light Opera. "Everybody Sing!"

"CINDERELLA" HARDACRE EMERGES RADIANT

Judy (Jud) Hardacre, the epitome of Arrowbear Fun, recently underwent some drastic changes in the appearance department and emerged the picture of loveliness. The tortuous master of the transformation is delighted to report there was no damage done to the personality. Jud is a Wilson High graduate, Furjanick Music Scholarship winner, and Most Deserving Student (at least the PTA thought so). Miss Hardacre sang in A Capella Choir, Sr. Girls Choir, Girls Quartet, Jr. Girls Glee, and Madrigals at Wilson. She also sings in the shower and the rain and plays a shake-up of a tambourine. Jud will attend LBSC next year at major in Naval Destroyers.

McKENZIE INSPIRES GHOST STORIES!!!

Miss Peggy McKenzie, noted entomologist (bug collector) has proven a worthy, if unconscious, inspiration for some tall yarns. This leggy counselor plays 'cello, Harp, piano, and has some of the most beautiful smiles around. She has attended Pitzer College, LBCC, and is destined for parts unsure-of next year. Peggy enjoys snow-skiing and band parties. Miss McKenzie is lucky to be here at Camp Arrowbug; the surroundings are teaming with likely game (insects?).

OLD KING COLE IS A MERRY OLD SOUL

New to the counseling staff this session is Cole Miller, trombonist from Newport Harbor High. Cole is another of the elect that will attend USC in the fall. He has played in "every band under the sun", and works on his new HI FI set for relaxation. "Seven Pieces" miller is also the owner of a rather strange laundry bag.

SANFORD TREATS CAMP

Miss Patsy Sanford is a counselor of extraordinary good nature. She not only is a fireball worker and every camper's friend, but she comes from a 'delicious' family. Pert Pat attends Whitman College in Walla Walla, Washington, where she is Vice Pres. of Spurs, a member of the Judicial Counsel, and clarinetist in the Walla Walla Symphony. All of the plumpened counselors wish to extend a formal note of thanks for the Griswold Goodies. Merci.

M. WALTON TURNS MAGICIAN

Marty Walton has performed a superhuman feat. Several, in fact, but the most outstanding is his split personality trick. Marty, manages to be an able-bodied kitchen slave and at the same time provide loving guidance as a counselor. Marty plays clarinet in any orchestra available. He graduated from Millikan High last year and will attend LBCC in the fall. Mr. Walton is vaguely interested in geography - also in land formations.

WEBER DINES ON BARBARA ANN??

When counselor, Jackie Weber, expressed some distaste at the idea of eating Barbara Ann Bread at meals, the kitchen staff voiced a common opinion, "Tough Bananas,

Baby!" The blond Miss Weber has resigned herself to disloyalty for, having been a camper 6 years, she realizes it can't harm her oboe, clarinet, English horn, or piano playing. Jackie is a Political Science major at UCSB and has performed in her share of orchestras and bands. At mid-summer, Jackie will up and leave us for a trip into the dark and icy depths of Alaska. Let's hope her new hairdo is warm enough?

YORKE GROWLS - DON BOSCO DESERTED

Not many camps can lay claim to their own personal counselor-watch-dog. At least, not yet-till! Besides possessing a ferocious snarl, Hal Yorke is a Regent Scholar at UCLA, a physics major, and a sax and clarinetist. Hal attributes his rugged good looks to 3 years of high school varsity wrestling and tennis. Among Hal's other assets is his Flipper-like leap from the pool bottom. Ork, Ork!!

EDITOR DROWNS SELF IN SWIMMING POOL

I couldn't bring myself to write about me in the third person-"Marty does this, Marty goes there, etc." So, here's my little personal editorial: I graduated from Wilson, am a sophomore next year at USC, in Mu Phi (rah), play the viola, screech a little, and jump around a lot! I worked in the kitchen here one summer a while back but I missed out on the wonderful experience of getting close to the campers. This session has been full of high spots, and some definite low ones. A lot of people are running around with my initials carved in their hair; my girls had a rather unusual story-telling visitor one night; I overslept twice and deserved to be flogged; even the weather has been skittish. But through all the whines, oranges, soggy sleeping bags, and "go to's" we laughed and had a ball.

EDITORIAL

Thirty five different communities are represented in camp. That you were able to develop into such a beautiful sounding orchestra and band in a very short time is a real compliment to you and your school.

Every session has a personality all its own. The staff will always refer to you as a camp of wonderful talents, deeply interested in music. You will also be remembered for your friendliness and enthusiasm.

We hope you will leave Arrowbear with many happy memories and a desire to achieve higher standards with music.

All best wishes for continued success.

KARATE KID STRIKES BACK

A large crowd here Saturday nite witnessed the breath-taking demonstration of one Dan Ramirez, holder of the Brown Belt in Karate. Dan ably executed the various thrusts and jabs of the ancient art using two "friends" as victims. Mr. Ramirez ended his show with a rousing chorus of yelps and grunts, accompanied by splitting wood. In his 'off hours', Dan Karates his viola into little pieces. He will go up for his Black Belt, the highest rank in Karate, sometime next year. We wish him long life and many friends.

SPORTING FUN - HANKY PANKY PATROL

Not new to sports fans, but of constant wide-appeal, is the gentle sport of Hanky Panky Patrol. The game requires at least 4 players, two counselors and two campers. The campers begin by leaving the Saturday nite dance and wandering away together, remaining inside the boundaries of the camp. The counselors then leave the kitchen with their sport equipment, flashlights, and ferret out the hiding team. The winners of the game are always the counselors. The losers return to the dance, where other teams are forming for a new match.

AQUATIC HIGHLIGHTS

The pool is swimming with news! Not all of it is good, however. Our beloved and much bounced-upon diving board has suffered a rather severe injury called, in medical terms, a crack. Due to this weakness of constitution, diving from Board has been considerably restricted.

A new addition to the pool area is now being assembled. Non-swimming bathing beauties have, in the past, been forced to lie in the aftermath of the dive-bombing crowd. Soon, they may pose in comfort on the new sundecks overlooking the pool.

CAMPERS CAVORT

We don't spend all our time in rehearsals, music appreciation, ensembles, and theory classes; it just seems like it!! Every once in a while we put down the stools and bull whips, smash the kids into a cattle truck, and cart them to a recreational facility. This session we've visited Lake Arrowhead, Blue Jay (for ice-skating), Green Valley for horse-back riding, Santa's Village, Keller Peak for climbing, and Snow Valley for sitting in ski-lift chairs. Whoopee!! We also have two dances a week, not to mention stunt night, table games, and constant ping pong, shuffle board, and volleyball games. In between we practice music a little?

PATRIOTIC OBSERVANCE

THE 4TH WITH NO FIREWORKS

Strains of "America The Beautiful", played by the brass ensemble opened Arrowbear Music Camp's July 4th patriotic observance.

Mr. O introduced Bob Walton who summarized his thoughts on Patriotic Responsibility. Four campers delivered short talks on patriotic themes.

Beatrice Lipski: "The Birth of Our Nation"

Ken Kummerfeld: "The Seal of the United States: Symbol of Greatness"

Deborah Ackerson: "The Sound of Freedom"

Hugh MacKenzie: "Freedom is a Two-Edged Sword"

The program concluded with the camp singing "America" accompanied by the Brass Ensemble.

Due to the strict observance of fire laws and a prolonged heat wave in the area, AMC was devoid of fireworks. Forest Rangers prohibit any Fourth of July sparkings in the mountains at this time of year.

A beautiful addition to the musical life at camp this year was the Dittersdorf Concerto for Harp and Orchestra, performed ably by Jo Ann Turovsky. Jo Ann was also featured in music appreciation class. She is the first harpist to grace the AMC stage in many a season. It has been a delightful experience.

KAREN KIMES ENTERTAINS

Miss Karen Kimes, senior at Poly High in Long Beach and six year camper at AMC, provided a refreshing Sunday evening of entertainment with her clarinet. We are grateful to Karen for taking the trip to perform so beautifully, and to La Dene Otsuki for her flawless accompaniment.
