ARROWBEAR MUSIC CAMP

CHORAL SESSION

44TH SEASON

JULY 28 to AUGUST 3, 1985

In 1937 FRED OHLENDORF came to the Long Beach Unified School District as a music teacher. That first year he organized an All-District Orchestra. Previously he was a teacher of music in Chicago Heights, Illinois. "Mr O" as he is affectionately called, received his education at Northwestern University where he played violin and viola. In 1959 he became Music Consultant for the Long Beach Unified School District from which he retired in 1970. For forty six years Mr Ohlendorf has presented concerts with the All-District Orchestras consisting of Junior and Senior High School students. He has been honored continually for his efforts on behalf of the youth of Southern California. He is a man who has brought beautiful music, to the ears of many and who has brought out the musical talents in many which might have gone unrecognized.

EDNA OHLENDORF works behind the scenes around the year to keep Arrowbear going - answering phone calls, responding to letters and being responsible for the organizational details. Her generous and cheerful spirit is always felt and greatly appreciated by all who come in contact with her. Mrs Ohlendorf earned a Bachelor of Music Degree in Piano Performance (Cum Laude) from USC. She spent many years giving private piano lessons in Long Beach. She is a member of the Mu Phi Epsilon Fraternity, the Musical Arts Club and an honorary member of the Music Teachers Association of California, Long Beach Branch.

DENNIS DOCKSTADER is Camp Manager and lives here in the mountains with his wife Carole and their three children. He is on the faculty at CSUSB and teaches at CEDU, a private school which deals with students who have problems adjusting to conventional education. In addition to trying to clean up camp, Dennis plays percussion professionally in many orchestras in the San Bernardino area, including Redlands Bowl.

CAROLE DOCKSTADER is responsible for the planning of our "Fine Arrowbear Cuisine". Carole, flutist, former camper and counselor, is the daughter of the Ohlendorfs. The children include Seth, trumpeter, who was a camper in first session, Breck, violinist, who will attend the Elementary Session, and Larke, who is a piquant personality.

STAFF

A second generation camper, KIRK WATILO returns to Arrowbear after a ten year absence. Kirk was a camper, kitchen staff worker and counselor between 1968 and 1975. Kork received an AA Degree from Long Beach City College, a B.S. Degree from Long Beach State and a Master's Degree from University of Southern California. He plays viola, is Assistant Conductor of the Praise Symphony Orchestra in Costa Mesa and conducts the Women's Chorale at Mission Hills Christian Center in Mission Viejo. For his profession Kirk is employed with a Property Management Firm as General Manager at an adult community in Huntington Beach.

PETER ALLAN is back again. This year he flew in from England via Minneapolis, Minnesota (Olson country) in order to be choir director for the fourth time. Although Peter trained as a musician (he read music at Wadham College, Oxford, where he was an organ scholar) he has not had the opportunity to direct a choir since he was at Arrowbear last year. Music for him these days is mostly playing the organ and singing plainsong in the Anglican Community of the Resurrection at Mirfield, Yorkshire, where he is a monk. Although monks still live under vows of poverty, chastity, and obedience and live a disciplined life of prayer with much more silence than most of us are used to, that doesn't stop them tracking raccoons, or dancing, or having a special relationship with the sopranos.

BOB OLSON. Born: Glenwood Minnesota, July 9, 1951. High School: Starbuck, MN, Rosemount, MN '69-'79. College: Moorhead, MN '69 to '74. Bachelor of Science in Instrumental and Vocal Music (Teaching). Taught at University of Minnesota Technical College at Crookston, 1975 to 1979. Pursued Master's Degree at CSULB - 1979-1982. Did various night club jobs in Southern California and sang in the Dickens Carolers at Disneyland in 1983-1984. I have thirteen SATB pieces of music published with four different publishers. Also arranged the Australian National Anthem which was just recently published in Melbourne, Australia, by Allens music, Ltd.

CHRIS OLSON is the eleventh child of twelve. She has nine brothers and two sisters. Chris was born and raised in Minnesota on a farm. She has received an Associate of Applied Science Degree in Business from the University of Minnesota and earned her Bachelor of Music Degree from California State University, Long Beach. Music has brought her numerous opportunities to travel. She has been to Europe, Australia, New Zealand, Mexico, Puerto Rico, Japan, and the Phillipines, as well as most of the United States.

Although new to Choral Camp, BETSY OSBORNE, Camp Nurse, is no new face at Arrowbear Music Camp. Her attachment to camp began the summer of 1968 as a camper (at one time she played the clarinet) and as the circles went round continued to do so. She progressed from camper and camp baby sitter to dishwasher and then counselor. Now back for her second summer as camp nurse (and here to stay, so see you next year!). When not at camp Betsy spends her time working in Emergency Department at Torrance Memorial Hospital and is currently back at CSULB working on her Nursing Degree. For fun and pleasure she is reading, skiing, white water rafting, counted cross stitching and, of course, dancing.

When he is not exploiting his imagination on the piano, second year counselor, TOM PARMETER is playing basketball or eating. Besides writing and arranging music, he plays several instruments. His other hobbies are philosophy, people, Arrowbear and life.

KURT HOLMES, a graduate of the Famous Hector Boiardi School of Cooking, is spending his fifth summer at camp as Le Chef. Kurt is Assistant Director of Instrumental Music at Wilson High School in Long Beach. He enjoys snow skiing, Jazz, and Classical Music.

COUNSELORS

KAREN CARMEAN. I was a choral camper for four years (and a really bad one..) but now I've mellowed out and become a responsible adult - hee hee hee.... I am currently attending CSULB majoring in Liberal Studies in order to become an Elementary School Teacher. A Long Beach resident, I graduated from Woodrow Wilson High School in 1983. I enjoy children and music very much.

CAROLE DYER started as a choral camper in 1978. She has been counseling Elementary, Junior High School Instrumental Sessions as well as Choral since 1980. She is a senior at CSULB majoring in Choral Studies. Besides spending time in Germany and Switzerland her favorite pastime is singing back-up for "Heartthrob" Danny Walters.

BRUCE FORD, 9-16-60, has been coming to Arrowbear Music Camp since 1974 and plans to have roots in camp for many more years, Bruce's plans for the near future is to become a full-time hard and dedicated actor and model but don't count him out of AMC because it is just as much a part of his career! Make AMC part of yours and join the family. Arrowbear Music Camp rules!!

O. K. who is LISA HOLZMAN? Well, she's still trying to figure that out but in the meantime she's still living in San Diego where she graduated from UC San Diego in 1981 and now works at KCST-TV-Channel 39, an NBC Television Affilliate. She has been associated with Arrowbear Music Camp since 1971 - a long, long time. This, however, is her first time up here at Choral Session and Boy! she loves it. She also loves tennis, snow skiing, poetry, and getting letters from campers! (Hint, hint).

ELLEN STOUT is spending her ninth year at camp, her fourth as a counselor. In the off-season she is currently a substitute teacher for the Long Beach Unified School District. Ellen is investigating a hug therapy degree and is a serious Muppet fan. (Kermit hid from her this year so fozzie accompanied her this year.) She loves children and tries to remind adults of the child inside.

DANNY WALTERS, a choral camper for five years and a counselor for four, resides in Costa Mesa where he attended Costa Mesa High School and Orange Coast College. He enjoys singing, cycling, weight lifting and going to the beach. Danny is currently performing in the new musical "HiTops" which will be performed at the Pacific Amphitheatre in Costa Mesa. Admission is free so all are welcome.

GARY DE PEW was here.....then he went.

From the cave, to the hut, to the front of the dorm, the mighty UR (ERIC CRAIG) and Head have transversed through many a session at Arrowbear. This is their eighth year and twenty second session. They enjoy watching the girls..... or the pool rather, and the other various sports. To sum up - he is UR....what else is there?

"And the night shall be filled with music And cares
that infest the day Shall fold their tents like
the Arabs and as silently steal away. Anonymous-

THE WEST'S OLDEST MUSIC CAMP - FRED OHLENDORF, FOUNDER
Since 1942

The girl's porch started their day sy singing to nurse Betsy during inspection. These ladies were heard to sing, "We love you Betsy, oh yes we do. We love you, Betsy, and we'll be true". They passed with flying colors! (No, of course it wasn't meant as a bribe.)

Here are some observations and comments from the firls' dorm:

Cat practices her Heavy Breathing even when she sleeps.

There are some girls in the dorm who put on their makeup so then can look good in case Prince Charming comes in the middle of the night.

QUOTES: "Superman, where are you?"; "Hello, Petah!"; "Sharon, we need a code ."; "What time is it?"; "What do you mean we get up at 7:15!"; "I wanna take a SHOWER!!"

NEW TWIST DEPARTMENT: Everyone has heard about the absent-minded professor who searches for his glasses for an hour before he happens to see his glasses on his head when looking in the mirror. Shari has discovered the modern version of that story. She searched furiously for her contact lens until she found it already in her eye.

MORE CONTACT SPORTS: Ellen won't worry about disinfecting her contact lenses. If she forgets to push the little button on the disinfecting unit (which is quite possible), she would just put the lens case in the sun by the pool.

AND SPEAKING OF THE POOL: Eric taught drowning and life-saving techniques today. He taught the drowning part very well. (Or maybe not quite well enough....)

SPORTS NEWS: George Sigalas has proved to be camp's best male ping pong player by successfully beating all of his opponents. Good luck in beating the firls' champion... who happens to be Timbrely Pearsley! The winner of that match will play the winner of the staff tournament later this week.

In other sports, Lisa took an adventorous group on a hike to Happy Gap. There were no problems reported, but Lisa hasn't been seen for hours.

Last night the girls' porch had a family of raccoons visit them. They would to thank Lisa, their counselor, who fearlessly fought off the hungry bunch with a flashlight. They feel that, because of her courage, they didn't have to have a family of raccoons for buddies. Thanks, Lisa!!!!

Little Miss Katie was hanging some unmentionables on a porch wall when a wind blew down these personal belongings to a tree below. Fortunately there wasn't anybody at Happy Gap at the time.

PEARLS OF WISDOM: Kellie Croft found her pearl necklace. It had fallen down her top, and it fell out of her pants leg when she undressed for bed. It was a crazy end to a stressful search.

YOUR GUESS AS GOOD AS MINE DEPARTMENT:

Will a cure ever be found to keep Jon Talberg's fingers away from the piano? Why is it that there is no wind until rest period, and then the tarp covering the girls' porch tries to slap out "The Flight of the Bumblebee?"

THE TATTLING ARROWBEARITE
vol. 3

TOP STORY OF THE DAY: In a hotly contested, exhausting volleyball match, the staff beat a very athletic and enthusiastic team of campers. The scores of the three games were 15-7, 13-15, 15-9. The members of the camper's team were: Katie Aiono, David Alexander, Mike Balin, John Booth, Dustin Rapp, Jamie Rush, David Strausberger, and Stephanie Wyllie. The staff team consisted of Peter Allan, Eric Craig, Bruce Ford, Kurt Holmes, Bob Olsen, Betsy Osborne, Ellen Stout, Danny Walters, and Kirk Watilo. Congratulations to the campers for the valiant effort!

IN OTHER SPORTS: George Sigalas, the men's ping-pong champ, played the girls' ping-pong champion, Timbrely Pearsley, and beat her in a close match. He then went on to play the winner of the staff competition, Lisa Holzman. Just as in the volleyball tournament, the staff proved its superiority.

AS LONG AS WE'RE FOLLOWING THE BOUNCING PING-PONG BALL: Saturday afternoon Scott Yaruss had his long-awaited game with Peter. Scott was back into his old form, returning Peter's spinning serves efficiently. He later was heard to say that Peter beat himself, but those who watched the game saw some incredible rallies. We hope to see both back next year for a rematch.

A Personals column was promised to pass along mysteriously coded messages and public displays of affection, but the editor has, unfortunately lost the messages. One letter, however, has mysteriously risen to the top of the afore-mentioned editor's luggage. It was dated 7/31/85.

To Lorianne,
Thanx for the courageous resque during break today. You're my hero and my favorite lizard lifeguard. Thanx again.
Mr. Larry Lizard

All other personal messages and displays of affection will have to be given in person or delivered with the help of the Note and the mailman. Write soon and often!!!!!!!!!!!!

"CAN WE TALK" Volume 4

First of all, let me do some explaining. The Note has always been a special part of each session. Great events have been saved so years later session memories can be recounted - laughed at, or maybe cried over. Anyway, these are my personal observations of the last few days of the greatest choral session ever.....choral session '85.

Let's start with Wednesday night's dance. That must have been the first Arrowbear dance where everybody danced and danced with everyone. The male/female ratio was a little one sided but that didn't stop anybody from getting wild and crazy. I've never seen so many girls fight over one guy.

How about those awesome counselors beating up on the campers in volleyball. Dr Stacy's great swim performance. Of course there's always the most important ping-pong tournament. Thanks George Sigalas for letting me beat you.

OK...let's talk pranks. I forgive you guys for running my bathing suit up the flag pole. I was flattered. Underwear was a big topic this session. Danny - the girls like your gray bikinis! Oh and thanks UR for getting the girls up so bright and early and LOUD. And although not really a prank - the counselors enjoyed spoiling you all with juice and hot chocolate. Gosh - who could forget the ballet on the volley ball court by Eric, Danny and Bruce - just unforgettable, right girls?!

And I did want to add that my late night talk with the guys was really special. I hope I helped - I know I learned a lot from you guys. Thanks, and keep communicating. I also would not forget about dropping Kirk's drawers - a few of them. Did I know he had more than one? You'll never know.

Let's get serious... REHEARSALS - nned I say more. CAMP FIRES - do you remember our candle campfire on the volleyball court. Do you remember that word that gets in your way when making friends. Do you remember the word that describes what you bring to a friendship?, I'll never forget that orange candle.

And campfires down below - the songs.....circle game, friends, flicker, love and be loved (Bob & Chris's specially), old Arrowbear song... holding hands in one big circle - loving each other - not wearing any masks. Dennis' comments - 2nd wisecracks. Remember the trust walls the first night?

And Saturday - that very special concert at Cedu School - all that love we felt for them. And that not so special concert at Twin Peaks - great audience - ha ha. Arrowhead eating - and finally the big concert night - Holding hands - some of us crying - singing our guts out - Peter's classic humorous concerts - big audience - great sound - Belly of the Whale. Who will ever forget that song. And the last campfire - the comments - love - going home- spread this love - come back - bring people - we all love each other - the crying - the laughing - the hugging - the friendship. I'll never forget the session. I'm going to take it with me forever and try to spread the love wherever I go.

Thank you, my good friends. Love and be loved////////

THE TATTLING ARROWBEARITE
vol. 5

As you all know, the staff put together its own interpretation of the song, "We Are The World" for the Coconut Bear. In the excitement of the great rendition, the staff wanted to be sure that this new version remained in your memories.

There comes a time, when we heed a certain call,
When the wierd must come together as one.
There are pieces dying, oh and it's time to lend a hand to a choir-
the greatest sound of all.
We can't go on pretending day by day that someone, somewhere will
soon make a change.

We are all a part of one great big Harmony,
And the truth, ya know pitch is all we need.
*We are the wierd,
You are the campers.
We are the ones who make a brighter sound so let's start openin'.
There's a face we're makin'
We're savin' our own breath.
It's true we make a brighter sound just you and me.

Oh, sing from your hearts
So they know that someone cares,
And their lives will be stronger and free.
As Peter's shown us by turnin' sounds to English,
And so we all must lend a helping hand.

CHORUS

When you're down and out and there seems no hope at all,
But if you just believe, there's no way we can fall.
Well, well, well, well just realize that a change can only come when we
come together as one...

CHORUS

The session ended with a lot of class. In the nicest prank ever pulled, the male counselors served the ladies juice, coffee, or cocoa in bed, and the female counselors served the men in bed. This was followed by a very cultural experience. The campers gathered around the volleyball court to see a morning ballet by Eric, Danny, and Bruce. The paddle fan dance and the unusual choice of costuming on the part of the performers was very entertaining.

This lead into a very busy final day. The mini tour was a great success. The first group of young people greeted the pop numbers and ensembles with warm appreciation. At the Twin Peaks fair, however, the pie eating contest seemed to take priority over our performance! However, we did have a great time in both places. Then came 40 whole minutes in Arrowhead Village. One group of campers greeted McDonalds with open arms, and showed their appreciation with a round of " Oh, Give Thanks ". Others headed straight for the ice cream parlor or arcade. One camper was given his first experience at the skee ball machines by his favorite counselor. A quick tour of the village was all that there was time for in the time allowed, and then it was back to camp for showers, dinner, and the concert. Naturally the audience was impressed!

At our final campfire we got a chance to sing some of our favorite songs and say tearful farewells. (This is a group of wonderful huggers! - Ed.) One last time Bob and Chris lead us all in the following song. (Only the chorus is reprinted here, for those of us who never quite got the hang of the verses. -Ed)

Love and be Loved

Love and be loved,
For the chances are few,
And the whole world is waiting
For a chance to love you, wo oh oh oh oh;
Love and be loved,
For the chances are few,
And the world won't stop loving
Til our time here is through...

Thanks for a wonderful choral session!!!
